At first a felonious driving charge was brought against Marches, but the charge was reduced by motion of the Oakland County Prosecutor because injuries to Officer Holman were not as severe as suspected at first.

**WHEE AND 'WHOOPE' !!**

We git a day off! Now it's not that we don't like our work or our boss — it's just the idea that we can sleep in one morning and if we wanna take a nap in the afternoon we can do that too. Course it would be nice if we didn't have to be on deck Saturday but we do — so we'll have regular hours on Saturday. Now, what are you going to do? Gonna be around here so you'll need some groceries? We got a couple things here you might be interested in. Is there gonna be a wiener roast in yer yard? Then you'll be needin' some hot dogs watcha can git here fer 53c a lb. and a bag of charcoal to make the fire hot. We got that too fer 59c a bag. You'll need somethin' to put on them hot dogs so git some Heinz Catsup fer 25c a bottle. If yuh want some baked beans we got 2 16-oz cans of Campbell's Beans fer 25c. Us big kids would have to have coffee so fer 69c we can git a lb. of Conroy's Coffee. We like sugar in our coffee — we don't care if it is fattening and it's just 45c fer 5 lbs. If the little kids want somethin' cold to drink git 'em 6 packages of Kool-Aid for 25c. That'll keep 'em busy fer quite a spell, won't it?

Don't seem like we've written an ad till we mention hams — so hold yer hats, kids, here we go agin'. Canned hams fer 79c a lb. Now you could cook that the day before and have it already fer selsin' on Decoration Day. Yer sayin' "all that meat and no potatoes" — we got canned sweet potatoes what go with ham — just like cheese does — and in the cheese department there's some medium sharp cheese fer 69c a lb. and the extra sharp cheese is 69c a lb. If yer lookin' fer butter at a low figger we got Vlastic butter fer 71c a lb. Now yuh want some dessert? Well, there's 2 boxes of Betty Crocker cake mix — one chocolate and one party cake — runnin' loose in here fer 59c. Guess that's all — see yuh at the parade, huh — but even in all our celebration — let's kinda give a thought or two as to the real significance of Decoration Day — should we??
