Library Organization Gets Name At Meeting

Farmington Friends of the Library, Inc. was the name selected at a meeting in the Town Hall July 9 for the organization which has been formed to further the establishment of adequate public library facilities for the City and Township of Farmington.

Mr. W. Allen Nelson, temporary chairman, introduced Mr. Wendell Brown, chairman of the by-laws committee, who read the by-laws of the Detroit Friends of the Library group of which he is a charter member.

The local group decided to adopt similar by-laws and the committee was instructed to prepare these for presentation at the next meeting.

The next meeting will be held on Wednesday, September 17, at 8 p.m. at a place to be announced later. At this time, the permanent organization will be set up, a Board of Directors elected and the by-laws adopted.
