Lee, 20, junior center, is expected to add much needed depth to the offensive platoon and also play a major role as a defensive line-backer.

Meanwhile, Ernest, 22 and a Korean War veteran, although a freshman, is astounding the coaching staff with his pass-snaring feats and is slated for plenty of action as soon as he acquaints himself with the Heidelberg brand of ball.

How HUDSON'S all-time
stock car record helps
you choose your family car

In stock car races words and claims mean nothing. You can see the make of car you drive compete with the make of car your neighbor drives. Only the results count. When you look at the record you know which car is best.

This year to date, Hudsons, just like those you can buy from us, have won 35 out of 39 stock car races, an all-time record unequalled by any other car on earth.

And how does this help you buy a family car? Well, for example...

It proves that Hudson's exclusive "step-down" design—with America's lowest center of gravity—gives you hug-the-road stability, sureness of handling and safety unequalled by any other car.

It proves that Hudson's famous high-compression engines deliver the terrific kind of power you need to get out of tight spots and command the road in any situation.

It proves that Hudson's Monobilt body-and-frame* is the most rugged and by far the safest construction on the road today.

All these qualities are yours in a Hudson—for your pleasure, your pride and your protection. And finally, you don't have to see a stock car race to see Hudson's sleek, streamlined beauty.

Drop in and drive a Hudson, or telephone us and we'll pick you up at your door. You've a thrill coming.
