Honor Mrs. Gotts With Stork Shower

With Stork Snower
One of the lovellest stork showers of the season was that tendered Mrs. Audrey Gotts of North-ville at the home of Mrs. John Stoughton on Woodring Areaut Thursday of last week. Mrs. Gott was, for several years, the efficient nurse in Dr. Hotchklas's office About 25 of her friends from this community were in attendance

PLUMBER, FOR maintenance and repair work. Farm. 1537. 47-16

About 25 of her friends from this community were in attendance. In keeping with the fact that she is anticipating a blessed event at Thanksgiving time, all decorations and arrangements suggested the Thanksgiving season. Gitts presented Mrs. Gotts were very beautiful and included many of the most useful tiems. Lunch was most appetizing. STATE PREDICTS MILLION KILL OF PHEASANTS

OF PHEASANTS

A million pheasants probably will grace hunters bags in Michigan this fall during the lower peniasula pheasant season October 20 to November 10.
Conservation department game men predict the million big on the basis of rural mail carrier counts with the product of the product o

previous years uecases of general high game populations this year.

Male pheasant plumage will be in full color in time for the opening making in the property of the control of the property of the control of the property o

Fay Method Explained Under Korean GI Bill

Veterans with service since the third of the South-central counties fourth and southwestern Mishigh a first him order of abundance. The department again urges that hunters "ask the former than the service state of the Mishigh of the

strongly empussed in severybody's business but that the real essence of a successful health program depends primarily upon community health consciousness, has its own the construction of He pointed our that the country health programs in Minigan are the direct autithesis of the

STATE GAME MEN URGE USE OF SAFE HUNTING RULES

With thousands of hunters once again afield, problems in the safe use of weapons become all-import-

ant.

Conservation department statistics indicate that 25 hunters will die and about 180 will suffer from gunshot, wounds during the sea-

And with generally more liberal seasons this year, numbers of hunt-ers marked for death or injury may actually exceed those estim-

ates.

ates.

Incase of accident, hunters are
required by law first to give assistance to the injured, then to report to the nearest state police
post or sheriff's office.

And the hunter who injures or
kills another should realize that
for five years atter that
occurs he will be forded by
Michigan law to purchase a hunt-

occurs he will be forbidden by Michigan law to purchase a hunt-ing license of any kind. But accidents probably could be wiped out entirely if hunters would follow a few common sense rules. The Ten Commandments for Shoot-
