Alumni News

Doris Diddams, a '47 graduate from Clarencville, is now teaching ninth and tenth grade civics at Bedford Union High.

Fred Grose, '49, and Delores (Lettar) Grose took the step and were married this summer. Delores graduated in '48.

Marion Graves, '49, is attending the Detroit Bible Institute and is planning to go into missionary work soon.

Jack Robertson, '52, is attending Highland Park Junior College.

Iola (Edmunds), '49, and her husband, Howard Yatsck, are now living in Alabama where Howard is stationed and about February they are expecting a little bundle from heaven.

Wynemah (Barnes), '51, is living in Virginia, where Skip Horton is stationed, and they, too, expect an addition in January or February.

Vera Giguere married Dick Selke October 25. Vera graduated in '50. Barbara Wackenhut and Rita Giguere, both '49 graduates, stood up for her. Barbara just recently married Jack Keen.

Barbara (Williamson), '53, is married now to Byron McKinney. Sam Horton, '50, was married to Karen Schott, '53, last July. J. T.

JUNIORS PLAN DANCE SURPRISE FOR NOVEMBER 8

Everything is under way for the annual J-Hop, to be presented by the junior class of 1953. The theme of the dance and also the name is "Le Rendezvous". It will be presented on Saturday night, November 8.

The various committees have been meeting after school to discuss their plans. The advertising committee is headed by Gloria Schumaker; refreshments by Dorothy Riddell; clean-up by Roy Zavitz; decoration is headed by Cynthia Enslay; entertainment by Thomas Markovitch; and tickets by Ellis Grace.

AN ENTERPRISE CLASSIFIED COST SO LITTLE, YET BRINGS QUICK RESULTS

Track Team Visits Albion And E. Lansing

Clarencville's football and cross country teams went to East Lansing Saturday, October 26, to see Michigan State play its homecoming game with Penn State.

The teams left the school at 8:00 a.m. First they went to Albion where the cross country team ran in Albion College's annual high school invitational cross country meet. Clarencville's Don Knapp placed eighth and won a medal.

Senior Highlights

Stop, Look! It's that jolly senior Joyce Bennett on the loose again, and it looks like she's quite anxious to get where she's going.

"Where are you going in such a hurry?"

"To my favorite class, band; where my favorite teacher, Mr. Joseph Markell, will be waiting for me," she replied.

"Is there any special reason that class and teacher rate with you?"

"Sure, I'm getting to really like them after having band for seven years and Mr. Markell for three."

Joyce has earned her letter in band and she won a scholarship to Wayne University this summer.

Joyce can usually be found with any number of seniors but most common are Ruth Robertson, Joan Giguere, Ray Shaw, Janet Leonard and Shirley Marech.

This gal isn't particular, she likes any kind of food and any color as long as it's on Floyd (he's her latest boy friend). She loves to sit and listen to "Blackberry Boogie" or "Are You Teasing Me?" by either of her favorites, Eddy Arnold or Slim Whitman. Football and basketball are two sports she enjoys watching.

If you would like to get on the good side of Joyce don't gossip, because this is her pet peeve.

We think this '53's, brown-eyed brunette is a pretty swell person and is bound to make a very good musician, which is her ambition.

"Auf Weidersehn, Auf Weidersehn, we'll meet again" on Friday, October 17, the senior class honored this week's senior highlight with a farewell party. Ferdi Berglund, a nice looking fellow who stands 5' 11", with brown hair and blue-gray eyes, is leaving for Los Angeles, California.

A member of the class since he was a seventh grader, he lists his favorite hobby as hunting, (game, not deer), his favorite sport is swimming and his favorite pastime is reading.

Ferdi enjoys listening to Guy Lombardo and claims his favorite song is "Tall As A Tree" (?). He is usually seen with Rudy Cooper (whom he calls "Buds") or Dick Johnson. Ferdi admits he has two girl friends and they are . . . you guessed it, his sister and his mother.

Math rates high as Ferdi's favorite subject, and since he is leaving, he can admit he has no favorite teacher. Until he obtains his ambition of being a CPA (certified public accountant) he is content to eat spaghetti and meat balls, his favorite food.

At his party, the seniors presented Ferdi with a gray sweater and two ties to match, with which to remember them by. After which they gathered around the cake that said "Auf Weidersehn, Ferdi". "Till we meet again", this staff joins your class in wishing you the best of everything in the coming years. A. A.

Could You Go Broke? State Could Too!

Michigan is nearly broke. During the last four years under a Democrat governor, the State has spent \$9 million dollars more than it took in.

You and I can't spend more than we take in without going broke. Neither can the State!

That's Fred Alger's solution to the State's financial crisis—

LESS SPENDING NO NEW TAXES.

ELECT FRED M. ALGER GOVERNOR NOV. 4. REPUBLICAN.

Editorial

Is this country with its democracy, system of free enterprise, educational opportunities and the rights and privileges in the constitution worth waiting two hours for? Would you wait two hours to exercise the most important part we have in our government, the right to vote. The other day I met a man who would not wait, who couldn't be bothered to stand for two hours to cast his vote for democracy. This man was a businessman who has a nice home and family. When he walked away from that voting line he was risking the right to vote where and for whom he pleased. He was endangering his right to own property and voice his thoughts. He was turning his back on the country men like Thomas Jefferson, George Washington, Alexander Hamilton and Abraham Lincoln fought to establish. The country our men have given their lives for in the past and are giving them now to preserve. We students are taught in school the history of our nation and we realize it is the greatest on earth. But will there be a nation left for us if our parents are not even interested enough to wait two hours to vote. On every side I hear complaints and criticisms of the work of the administrations. You have a right to voice your opinions but you have a greater right, that of voting, by which you can direct the government if you are not satisfied. Mothers complain about their boys in the Army, but have you stopped to think many of these boys on the front lines are not able to vote. The only way they can express themselves is with a gun. You, the people back home, have a much easier way to fight for what you want. It depends on the decisions you make now what our future will be. If you ignore the right to vote our future may be like that of Hungary and Poland. If you use your right to vote they will enjoy a free democracy. Wait those two hours, 120 minutes are not so long when you think of what you are doing for yourself and the future. N. M.

Pep Club Holds Meeting, Voices Need For Boys

It has started! Clarencville's Pep Club held its first meeting Tuesday, October 21. There were 18 girls who attended the meeting. More students are expected to be at the next meeting, which will be held the first of next week.

Meribah Meyer told the members what their duties would be. The girls at the meeting were from the tenth and eleventh grades. Although this is fine, the cheerleaders would like to see more students (especially boys) in grades eight through twelve who are interested in cheering at the games and would like to help on various items such as game publicity, arranging pep meetings and helping with Homecoming. These girls who attended the

Feature Miss Monahan As Teacher Of The Week

Room 202, Science, the sign of the door stated. Hmm, sounds interesting, think I'll go in and see what's exploding. In the front of the room stood Miss Elizabeth Monahan, teaching her biology class. Miss Monahan is from Toledo and went to Central High there, afterwards she was graduated the Toledo University. Besides biology, Miss Monahan also

teaches eighth grade science. Miss Monahan has brown hair, and brown eyes and claims her favorite pastime is "Eugology", and her favorite hobby is cooking. Her favorite sports include football and basketball. Miss Monahan likes any shade of green and would rather eat spaghetti than any other food. She says she likes Clarencville very much, and plans to teach for a few more years, the exact time being indefinite. Other plans include going to New Jersey at Christmas time, to be home with her folks. Miss Monahan has the unfortunate habit of laughing when she gets mad, which makes her students hope she will stay at CHS for years to come. A.A.

Priced for your budget!

For all its fine-car features,
Ford's priced with the lowest!

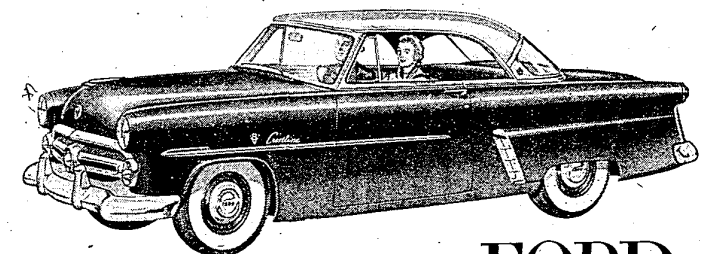

Despite its modern-car good looks, fine-car handling, and big-car ride, Ford for '52 means one of America's lowest price tags. And whether you choose the 110-h.p. Ford V-8 or the 101-h.p. Ford Six, you get high-compression power.

Built for your dreams!

You can Test Drive the new Ford with your hopes set high. It will live up to your expectations in every department!

You may want visibility unlimited, Center-Fill Fueling or Power-Pivot Pedals. Ford alone in its field gives you these fine-car features. And only Ford in its field lets you choose from all 3 drives, Fordomatic, Overdrive and Conventional.

You can pay more but you can't buy better
