

Clarenceville Eight Grade Music Classes Sing Christmas Carols at Children's Hospital

By CAROL CASE
On the night of December 18, 1952, the boys and girls of the eighth grade music classes went caroling under the supervision of Miss Mary L. Jones. Mrs. Baumann and Mrs. Menke were the guest mothers. Mrs. Glen Silvernall drove the Clarenceville High School bus for the carolers.

First they ate at the Nibble Nook on Grand River. While being served they sang the old English Vassal Song, "Here We Come A Caroling," which was sung at each place they caroled. They then sang "Silent Night," ate, and were on their way.

Carol Case took her accordion along to accompany the singers. The first stop was at the Children's Hospital. While singing "Jingle Bells" several patients sang with them. They went upstairs singing "Rudolph The Red-Nosed Reindeer," and on the next floor the children turned off the TV sets to listen. A few children were not allowed in the TV rooms and were amusing themselves with toys.

There were a little boy and a little girl about one-and-a-half and two years old with polio who found

the bells on the hats of Carol Case and Deanna Boutou kind of cute so the girls gave the bells to them. During the remainder of the evening the group carolled at the homes of relatives of the carolers.

MRS. MARION STUMBAUGH

FARMINGTON 2601-J

Two weeks have passed and here I am back at the same old stand. I sincerely hope that each and every one of you had a most enjoyable holiday. I wonder if any of you happened to tune in on Channel 2 New Year's night? If so, did it look familiar to you? The place was Rainbow Park. The picture was of the first skaters of the season. Some of the boys present were Dick LaFram, Marty Brennan, Dewey Nichols, Bob Goers and Bob Updall, along with his little dog "Boots," who came prancing down the ice to get a dog's eye view of the whole affair.

Mr. and Mrs. Fred Goers of 22141 Springbrook, accompanied by Arthur and Minnie Goers, left last week to visit relatives of Mrs. Goers in Yakima, Washington. They also expect to visit California before they return home.

Pvt. Earl Cox of 22131 Springbrook spent Christmas with his family.

Mr. Laurence Groat, Jr., of 21427 Oxford, had a surprise visit from his cousin, Almain 2/c Max

O. Groat, who is stationed at Lowry Air Force Base at Denver, Colorado. Max is training to be a gunner.

Our boy Ty, in other words Dick Tyler, captain of the Farmington basketball team and also first string quarterback on the league football championship team of 1952, is hoping after graduation to enter the University of Michigan, where he is desirous of following in the footsteps of Jim Bates.

I have been seriously debating as to whether or not to continue writing. My final decision will be determined by our readers' reaction. A lot of persons seem to be under the impression that Haynes Highlights is only for persons in that vicinity. It would be greatly appreciated if persons having news items, suggestions or opinions that might be of interest to our readers would please call this writer or The Enterprise. By so doing it would help us to learn your preference, which will better enable us to please you in the future.

TO HOLD DANCE

Members of the P. T. A. state that everyone is welcome.

The ideal society would enable every man and woman to develop along their individual lines, and not attempt to force all into one mould, however admirable.
