teenagers and come of them.

Many articles are written about the spolled, pampered, irresponsible teenagers. In most any magazine you pick up there's an article on "What to Do About Teenagers" or "Teenage Problems"

sigers" or "Teenage Problems", Most articles are written by dis-heartened parents who are bored and sick and tired of the parent-bood responsibility of helping their hiddren. It seems to us that if parents feel that they are being overrun and being made-o, dave of their children it's their-own fault. All teenagers are not like the ones they we phast is placed on what teenagers do wrong. Teen-
