Loomis pointed out that the guestion has been under discussion between the state and the city almost 1929. The state has repeatedly warned the city that it must halt the pollution of the river by constructing some type of sewing disposal system within the subdivisions are being extended to the boundaries of the subdivisions, which Loomis stated is the obligation of any city.

## BEEN A BIG WEEK----

Aint it? Pain yer bill to Uncle Sam — St. Patrick's day was celebrated with the wearin' of the green — and the atom bomb boomed. That all happened in jest three days. To keep things rollin' in a less excitin' way maybe yuh could talk the old man into gettin' some grass seed sowed. Got a surprise fer yuh. We're in the grass seed business now. From' what the man said we got some pretty good seed too — all done up in a 5 lb. bag fer \$1.89. Gettin' out in all that fresh air will probably give the old boy quite an appetite so yuh better have somethin' cookin' on the front burner — or in the oven. A good hunk of beef roast should do the trick and fer that there's a blade cut beef roast fer 49c a lb. Now with all that meat you should have a potaty and we got some of them new red ones 4 lbs. fer 35c. Then have yuh made a kidney bean salad lately? We got the fixins' — got 2 cans of kidney beans fer 23c and some quart jars of sweet pickles fer 45c and you probably got a spare egg to boil. To hold it all together there's a quart of Shedds Lady Betty salad dress-in' fer 49c. [Don't think it'll take the whole quart tho — do you' You'll have entl left to whip up a tuna fish salad or some salmon salad.—The salmon we got is jest 45c a can and the tuna is that white albacore that is 3 cans fer \$1.00. Some of them sweet pickles'll work OK in this, too. If yuh aint spent all yer time seein' that friend husband has done his job right yuh might have time to bake a pie. Fer the crust there's some 3 lb. cans of Crisco fer 79c and fer the fillin' there's some Dining Car mince meat fer 39c. Yuh know it's soon gonna be too warm fer mince pie so do you suphose you should have jest one more? Aint it? Paid yer bill to Uncle Sam — St. Patrick's day was cele-

All I got left on this list of stuff is some tomato juice and some round steal. Now how do yuh want yer juice — straight — or poured over the steak fer gravy like on a swiss steak? How ever you use it — this here juice is Quaker 46 oz. cans fer 29c each. This round steak is from U. S. choice beef fer 79c a lb. Maybe you'd like to know that we'll have fresh dressed fryin' chickens and stewin hens this week end. Now to wind this thing up guess we'll letcha have a pound of Vlasic butter fer 69c and some S & W coffee fer 79c a lb. Does that listen pretty good????
