Sincerely Yours:

Opinions expressed in this column are those of the writer and do not necessarily represent the policies of this newspaper.

Dear Sir:

We wish to thank the many persons and organizations, including the local Blue Star Mothers and the American Legion, for their prayers and letters for our Marine son who was critically wounded while in action in Korea on March 13.

Though he is still hospitalized in Japan, he shows definite improvement and when his condition permits, he will be flown to the nearest Marine Hospital for rehabilitation and further treatment.

Our son has asked us to extend a sincere thank you and to apologize if the recent letter was not answered in a timely manner. The loss of his right arm has prevented him from writing at this time.

We want also to thank the American Legion for their wonderful program which enabled us to send a message and to hear his voice on a tape recording. Also, last but not least, to the persons who have donated blood to the American Red Cross Blood Bank — God bless you for making it possible for our son to have the exceedingly great amount of blood needed to help him live.

CUB CAPERS

Pack 45 wishes to thank Mrs. Hug for her time and effort spent in getting material for this column.

Den 2 is planning a hike for its members during the next Den meeting. Also the boys have been preparing for the display posters placed about town.

Something special is being planned by Den 3 for this coming week end. The boys are also working very hard on this month's theme.

David Day, Den 3, receives the Webelos ceremony at the next pack meeting.

The theme for May evolves around the study of nature. Den 4 has some splendid ideas to add realism to the program.

Den 5 has an excellent idea to present their monthly theme. They won't say any more, because I am sure the boys want it kept a secret.

We want to welcome three new boys into Pack 45. The boys are in Den 17, the new Cubs are Brian Ringo, Ray McGraw and Thomas Harrison.

Mrs. Tuma and Mrs. W. are new Den Mothers. Good luck, ladies.

Starting in the fall Mrs. John Perry and Mrs. Stevens will be the Den Mothers for Den 5.

PARK CLEAN-UP

A large number of persons turned out for the Grand Haven park cleanup held recently under sponsorship of the Grand Haven Chamber of Commerce; the conservation department reports.

Mostly youngsters, the group

chopped fallen trees, stumps and brush for removal from the beach area.

West Farmington

MRS. SARAH KNAPP
MA. 6-8383

The West Farmington Farm Bureau met at the home of Earl Felcher on Tuesday, April 28, with 12 members present. The meeting was opened by the singing of "America."

Chairman Otto Rezin conducted the business meeting and Mrs. Irving Knapp gave a report on the Women's meeting. Our Minnie Man, Wendell Green, gave a report on the men's board meeting. The men are working on a questionnaire for the Farm Bureau members. Mr. Green explained different bills that are being presented.

Fraser Wadsworth led the discussion on "Just Who Is Liable, Farmer or Trespasser?". A delicious lunch was served by the committee and the group planned the next meeting, which will be held at the home of Mr. and Mrs. H. Tenningdorf.

Mrs. Richard Heilker and her new baby are home from the hospital and her sister, Miss Clara Banfield of Detroit, is staying with them this week to help.

Mrs. Grant Howard came home from the Athlone Memorial Hospital where she was treated for pneumonia.

Mr. and Mrs. Bearl Nye of Rochester called on Mr. and Mrs. Charles Heilker Sunday.

Mr. and Mrs. J. C. Cox entertained Mr. and Mrs. Charles Cox and family of Walled Lake and Mr. and Mrs. Bill Cox and family of Royal Oak and Mrs. Jim Cox Sunday.

Pvt. Jim Cox called his parents by telephone from Fort Knox, Kentucky, where he is stationed. The call was received by Mr. and Mrs. Cox on Sunday.

Mr. and Mrs. William Knapp spent the week end on a trip to northern Michigan.

Why not let the current generation attempt what the elder generation thinks is impossible?

Gaylord Church Plans

Film Showing May 9

Cave exploring is routine work for staff members of Moody Institute of Science. In this case they found their descent into the earth well rewarded by the discovery of indescribable natural formations.

These mysteries of the universe were captured on film to form a feature sequence in "Hidden Treasures," the fifth in the Institute's "Sorcery from Science" series. This unusual film, which depicts the wonders of nature as seen through the microscope, will be shown in the Gaylord Baptist Church Saturday, May 9, at 7:30 p.m.

Dance Classes Set

For Recital Saturday

Saturday night will be the most exciting night of the year for some 120 Farmington youngsters and their parents and friends when the Community Dance classes present their "Junior Dance Revue" at the Farmington High School gym.

Dance numbers from ballet to boogie woogie, and novelty tap will be featured. Children range in age from little darlings of 2 1/2 to performers 12 years old. Members of the dance classes will participate in such numbers as Tiny Cuties, Rhythm Boys, At the Country Fair, Dancing Feet, Strutin' Along, Gypsy Tambourines and Ballet Street.

W. C. T. U. MEETS

The Farmington Woman's Christian Temperance Union met Tuesday afternoon, April 28, at the Clarenceville Methodist Church.

Mrs. Alice Gore led the devotionals and Mrs. Grace Button read an interesting biography of United States Senator Homer Ferguson.

The next meeting of the group is planned for Tuesday, May 26, at the home of Mrs. Elsie McCullough.

Karen Capo danced and sang on April 30 at the Herman School on Tremont in Detroit and she also entertained for the Altar Society at St. Francis DeSales School on May 4, also in Detroit.
