

### TOWNSHIP SEEKS BIDS ON SALE OF TWO LOTS

The Farmington Township Board has been advertising for bids on the sale of two lots on Grand River Street just west of Rockwell Street, Harry McCracken, Township Clerk, stated this week.

According to McCracken, the Board received one bid at its last meeting. It was decided at that time to sell the property and to seek additional bids on the two lots. Detailed descriptions of the lots may be secured at the township office in the Town Hall.

Scaled bids should be forwarded to the Township Clerk. No deadline has been set for the receipt of proposals.

### OPTIMIST CLUB TO INSTALL NEW OFFICERS

Newly elected officers of the Clarenceville Optimist Club will be installed at a special banquet to be held June 17 at Huck's Redford Inn. Officials announced this week.

Dr. John Vos will be installed as the new president of the organization. Other new officers are: Vernon Hawley, vice-president; Fred Bailey, vice-president; Ralph Stanifer, treasurer; Charles O. Berry, Robert Clelland, and C. L. Cook, trustees for two years, and John Hoffman, trustee for one year.

The new officers will take over their new duties on July 1, 1953.

### Board Asks

(Continued from Page One) or (2) increased assistance from State or Federal sources. In regard to the latter method, Dunckel took a dim view that such a source could be realized and, the Superintendent declared, many people say that the State has its hand in the public school system enough at the present time.

Enrollments for the township schools on the basis of the "average annual increase" over the past eight years were used by the staff of the superintendent in estimating an increased need of teachers.

If the tax rate remains at the 1952 level, Dunckel stated, it will be necessary to decrease the teaching staff by a minimum of 13 teachers from the number estimated in 1954-55. "If we are going to offer a school program which will contribute to the development of a well-rounded citizen for effective living, then it is necessary that the schools of Farmington have the necessary funds with which to do the job," Dunckel added.

### Aquatic School Opens June 14

An opportunity to increase aquatic and first aid skills will be offered this summer in a ten-day Red Cross National Aquatic School to be held at Owasco Scout Camp, Whitehall, Michigan, June 14 to 24.

This school is primarily for instructor and leadership training. Therefore, individuals who enroll should have definite plans to teach water safety to children, accident prevention and thus pass their knowledge on to others. Each person trained at the aquatic school, who in turn teaches others basic Red Cross skills, indirectly benefits hundreds of people, according to Melvin A. Buzzard, First Aid and Water Safety Services Director of the Midwestern Area of the American Red Cross. A specialty school in Small Craft Leadership training will be held from June 10 through 20 at Woodland Summer Camp, Eagle River, Wisconsin. It will cover the skilled use of the canoe and small sailing craft, and will highlight the principles and methods of teaching and programming for camps, clubs, and recreation departments.

Surveys have shown that a vast majority of our population—almost 125,000 persons—are in, on, or near a sizeable body of water sometime within every year. National Safety Council figures indicate that drowning is the principal non-motor cause of accidental death among the active age group, from 4 to 44 years. These deaths include not only swimming accidents, but also falls into water while working or playing near it, and accidents involving boats. However, the death rate by drowning has decreased by almost two-thirds, from 11.2 to 4.2 out of every 100,000 since the inauguration of the Red Cross Aquatic Instruction program in 1914. These statistics indicate the value of the schools, not only to the individuals attending and to those they train, but to the community as a whole.

Complete enrollment information may be obtained from any Red Cross chapter or from the Midwestern Red Cross Area Office, 4650 Lindell Boulevard, St. Louis 8, Missouri.

### SUPPLY OF BEEF IS ADVANTAGEOUS TO HOMEMAKERS

Beef prices are almost making history now, comments Mrs. Josephine Sawyer, county home demonstration agent. For the first time in 15 years, beef is listed as a plentiful and, therefore, relatively inexpensive food. She urges Oakland County homemakers who have home freezers or commercial lockers to take advantage of the low prices by buying beef in quantity.

Beef can be stored for six months to a year at zero temperature. Mrs. Sawyer recommends putting meat into cold storage in meat-size quantities. Make up enough meat for a single package suits. Ground meat should not be stored more than 45 days, she adds.

But if you haven't freezer storage, you can still take advantage of low-cost beef by serving it now—in new and delicious forms.

### HEALTH OFFICER

(Continued from Page One) a petition was filed by a group of residents in the township requesting that it be completed or removed.

It is expected that a report from the Health Officer and the Attorney will be presented at the next regular meeting of the Board next Tuesday evening at the Farmington Town Hall.

### Blood Bank Nets

(Continued from Page One) of the patient donor, hospital and amount of blood needed.

Mrs. Lenz stated that the success of the Bank has been due to the excellent work and cooperation of many volunteers. This includes the special registration booths in the lobby of the Farmington State Bank and the Civic Theatre, the 14 volunteer women plus two registered nurses who assisted during the visit of the bank, and the drivers of the Farmington Red Cross Motor Corps. Special credit goes also to the management of the Civic Theatre and Farmington State Bank, the speakers who worked the program and the men who helped load, and unload the blood bank equipment at the Town Hall.

For the first time, women of the community prepared and brought in dinner for the Red Cross staff of doctors, nurses and administrative personnel conducting the bank.

### City Conducts

The property is of irregular shape and lies behind the business frontage on both Grand River and Farmington Road. Plans stated that after the property has been acquired a considerable amount of work must be done before the parking area can be used. As soon as a portion can be filled and leveled it will be opened for use and the balance will be completed.

The property is being secured in order to provide additional and badly needed off-street parking in the business area.

### Here's Novel Menu Idea

Very clever these Chinese But the American homemaker has a note to answer she uses economical nonfat dry milk in making Salmon Egg Foo Yung.

Every ingenious homemaker is on the lookout for interesting recipes, especially for meatless menus. We nominate Salmon Egg Foo Yung made with two economy pantry shelf items—canned salmon and nonfat dry milk—as a new and practical note. Nonfat dry milk, available at the grocer's, comes in a one-pound package which yields five quarts of nonfat milk for as little as nine cents a quart.

Salmon Egg Foo Yung (Makes 6 servings)

2 tablespoons finely chopped celery  
2 tablespoons finely chopped celery  
1/4 cup finely chopped onion  
1 tablespoon butter  
1/4 cup water

6 tablespoons Statlak nonfat dry milk  
4 teaspoon salt  
1 cup (7 1/2 oz.) canned salmon, finely flaked  
butter

Sauté green pepper, celery and onion in butter until tender but crisp. Beat eggs slightly. Stir in flour. Sprinkle with nonfat dry milk powder and salt over mixture; beat with rotary beater until just blended. Add green pepper, celery, onion and salmon. Heat small amount of butter in small frying pan. Pour 1/2 cup of egg and fish mixture into pan. Cook over medium heat, until golden brown; turn and brown other side. Repeat with milk powder and salt over mixture; beat with rotary beater until just blended. Add green pepper, celery, onion and salmon. Heat small amount of butter in small frying pan. Pour 1/2 cup of egg and fish mixture into pan. Cook over medium heat, until golden brown; turn and brown other side. Repeat with milk powder and salt over mixture; beat with rotary beater until just blended. Add green pepper, celery, onion and salmon. Heat small amount of butter in small frying pan. Pour 1/2 cup of egg and fish mixture into pan. Cook over medium heat, until golden brown; turn and brown other side. Repeat with milk powder and salt over mixture; beat with rotary beater until just blended. Add green pepper, celery, onion and salmon. Heat small amount of butter in small frying pan. Pour 1/2 cup of egg and fish mixture into pan. Cook over medium heat, until golden brown; turn and brown other side. Repeat with milk powder and salt over mixture; beat with rotary beater until just blended. Add green pepper, celery, onion and salmon. Heat small amount of butter in small frying pan. Pour 1/2 cup of egg and fish mixture into pan. Cook over medium heat, until golden brown; turn and brown other side. Repeat with milk powder and salt over mixture; beat with rotary beater until just blended. Add green pepper, celery, onion and salmon. Heat small amount of butter in small frying pan. Pour 1/2 cup of egg and fish mixture into pan. Cook over medium heat, until golden brown; turn and brown other side. Repeat with milk powder and salt over mixture; beat with rotary beater until just blended. Add green pepper, celery, onion and salmon. Heat small amount of butter in small frying pan. Pour 1/2 cup of egg and fish mixture into pan. Cook over medium heat, until golden brown; turn and brown other side. Repeat with milk powder and salt over mixture; beat with rotary beater until just blended. Add green pepper, celery, onion and salmon. Heat small amount of butter in small frying pan. Pour 1/2 cup of egg and fish mixture into pan. Cook over medium heat, until golden brown; turn and brown other side. Repeat with milk powder and salt over mixture; beat with rotary beater until just blended. Add green pepper, celery, onion and salmon. Heat small amount of butter in small frying pan. Pour 1/2 cup of egg and fish mixture into pan. Cook over medium heat, until golden brown; turn and brown other side.
