To Speak At Service

The Michigan State Fair has cheduled another religious Sun-ise Service to be held Sunday, eptember 6, at \$:00 a.m.
Judge Luther W. Youngdahl.

September 6, at \$100 a.m. Judge Luther W. Youngdahl, recognized as one of the nation's leading church laymen, will be the main speaker. Youngdahl, now federal judge of the District of Columbia, was governor of Minnesota when he spoke at the Sunries Service two years ago. He is being brought back for this year's service by annular recoust.

see Service to years and, people promise brought back for this year's lervice by popular request.

The Suntise Service, which has become an annual event, is bleding held in cooperation with the Devising plans for the council will wising plans for the council will director, and the Rev. Wellington M. Logan, executive assistant.

James M. Hare, state fair manager, announced that duffission the state fair agaid would be free Service. Gates will be open at 7,000 a.m. and no admission, when the service will begin at the music selection.

LIBRARY GRANTS ARE ANNOUNCED BY STATE LIBRARIAN

BY STATE LIBRARIAN
Mrs. Loleta D. Fyan, Michigan
State Librarian and secretary of
the state board for libraries, has
announced that, by action of the
1953 legislature, new library
grants will soon he available to
bring more books and information
services to more people of Michigan and to encourage the growth
and extension of local public library services. This new public

AUTHORITIES CLAIM BLACKBERRY CROP BEST IN YEARS

The best blackberry crop

soon and got some of them picked.

Some conservation department
field workers have reported from
several sources that they've never
seen such a crop of the big berries
as in ripening in northern lower
peninsula woodlands this year.

peninsula woodlands this year.

They ray roadside bushes, wherever they are found, are loaded with the losh fruit, and he uphands and open areas where forest fire or timher operations were
earried on years ago are thick
with productive bushes.

Anyone who wants may take advantage of this natural resource
wherever it is found on state-owned, public land.

From the present looks of the
errop, the berries will be ripening
from now until at least the eff of
August, and perhaps into the first
week of September.
