

Safe Bicycle Trails Are Needed

EDITOR:
I am very concerned with the number of bicycle trails in Livonia. Livonia has very few, if any, bicycle trails. I've ridden on bikes down the streets of Livonia and the drivers think that we bicyclists should stay off the streets.

There is also the risk of being hit while riding in the streets!

So to solve this problem I think that Livonia should have trails that bicyclists could ride without having to look for cars. So on behalf of bicyclists in the streets of Livonia, I hope that there will be some bicycle trails in Livonia soon.

Students Leave Lasting Imprint

EDITOR:
May I take this opportunity to express my appreciation to a number of individuals within the Plymouth School District. Recently, three elementary buildings were represented at the National Association of Elementary

School Principals convention in Detroit. Their endeavors merit a public thank you.

The Russell Lbister School provided a display of children's work relating to the teacher-aid program within the building. The George A. Smith building provided the 8,000 principals with a "Welcome to Michigan" theme. Each of the grade levels displayed work relating to Plymouth and Michigan, past and present!

Fourth and fifth graders of the Helen Farrand School presented to over 500 principals a live program entitled: "Physical Education With a Beat." I wish to commend these children as well as their teachers, James DeKiere and Robert Smith, and parents for a job well done.

The country gained an insight into the quality of education provided the boys and girls of Plymouth. These fine buildings acquired themselves and their school system quite admirably. A firm hand clap is in order.

WILLIAM H. LUTZ

Indian Supplies Bring Thanks

EDITOR:
Thanks for generous gifts. I am most grateful for all the useful things that a Detroit Ryder truck brought to Holy Childhood School in Harbor Springs.

We are most grateful for the toys, food supplies, clothing, monetary gifts and the many other useful items which it would be impossible to list. It was a very eventful day, that early Saturday morning when the truck arrived with the many surprises.

It is kind benefactors like these who spare no time, effort, or money to help us work continue. It is most encouraging to know that many are interested in helping the poor underprivileged Indian children.

This is an added incentive which gives a new spark in our work. It is at times like these that we are convinced of the worthiness of our efforts. Somehow when the "chips are down" unexpected help comes, and it never fails.

When we count our blessings, we shall never forget all the good people who made this truck of wonderful things a reality. Thanks a million.

SISTERS AT HOLY CHILDHOOD SCHOOL Harbor Springs

aided in our ability to help more people, as our supply had dwindled. Thank you so very much.

We're working on an Indian Center to be able to serve more native Americans in the fields of education, employment, craft restoring Indian history of the immediate area in our museum, and also language and emergency temporary aid with food and clothing.

Thanks again for remembering us and assisting us in helping ourselves.

All 8 Reps Back Tax Cut

An Observersland Roundup

A two - bill package designed to give Michigan residents tax relief won final approval in the State House last week with unanimous support of eight local representatives.

Gov. William Milliken is expected to sign the bills shortly. They will go into effect Jan. 1.

The bills passed the State Senate before Easter with all local senators supporting them.

(D-Garden City), John Bennett (D-Redford Township), R. Robert Geake (R-Northville), John Markes (D-Westland), Thomas Brown (D-Westland), Raymond Smith (R-Ann Arbor), Raymond Baker (R-Farmington), and Joseph Forbes (D-Oak Park) voted for the bills.

Food Big Help For Indians

EDITOR:
I'd like to thank all the interested and hard working groups (scouts, etc.) who have aided Mr. and Mrs. Hank Chruscial in their dedicated interest and work for our native Americans.

We appreciate mostly the new items, as we have received used articles the past years - although they are appreciated also.

We've set up an emergency food pantry for those who need temporary help with food. Your food supplies have

Priest Adds His Thanks

EDITOR:
I wish to express my most sincere gratitude for your wonderful work in behalf of our Mission which resulted in the clothing, candy and other items recently delivered to us.

May God reward you.

NOW AVAILABLE FAMOUS GOLD SEAL

from the Champagne Grape

Gold Seal Champagne Vineyard - Pinot Noir and Red - is a natural, versatile American. Premium Table Wine. It is made with genuine California Grapes. Serve it any way - chilled or at room temperature. The California Grape is one of the mainstays used for making champagne and is therefore often referred to as the "champagne" grape. California Grapes have been known since about 1823 when they were found growing along the banks of the California River in North Carolina. Catawba is a true American grape variety that is not grown in Europe. The wine is fragrant, soft and elegant which made the champagnes of New York famous. You will enjoy these three natural, refreshing and light-bodied wines - Catawba Pink, Catawba White and Catawba Red - before, with and after your meals.

Product of GOLD SEAL VINEYARDS. HAMMONDS PORT, N.Y.
