West Farmington City Speeds Work

RS. SARAH KN MA. 6-3833 Mrs. Elmer See entertained the Walled Lake W. C. T. U. Monday evening at her home on Fourteen Mile Road with a very good attendance. Plans were made for the district meeting and other business was taken care of. The group was happy that Mrs. See is out of bed and up and around again.

Continued from Page One vicinity, are financing parking to lots. One is through revenues; from street parking meters, and other is, by voluntary contributions from merchants to be matched by the city, still another is, by assessment of commercial properity over a period of years with the city, and the city assuming a portion of the cost. In the majority of cases, parking, interes are installed in the lot after it has been completed. Tenant did not indicate whether, any of these methods would be precommended for this project.

troit visitor one day last week at the home of a friend.

cars. Every two years for many past twelve has seen him sporting the ever so lovely new issue of Studebaker. Now we've never mentioned him in this column because he's the quiet sort, besides when he' does talk, he talks Studebaker and we wouldtaiks Statebase; and we would not the rumor to get around that we're advertising. He told us though that his wife went to the hospital for their own '54 model, leaving him at home with the six and three year old children. When informed as to the mother's whereyear old children. When informed as to the mother's where abouts, the six year old said wistfully, "Daddy, wouldn't 'the swell if she this time, could bring home a puppy!"

While we're on the subject of children did we'ever tell you of the little girl that took her mother's place during an ab-sence? The younger brother, an-doyed an her pretentions, scotf-ed, "You're not mother, how much is 18 and 182".

And the little girl very calml swered, "I'm busy, ask your ther!"

So in our book, the alling motor of your car plus our meclunics equal lone car with a soon-to-be syever running engine. If it sharts hard, lacks power, or is just generally slub-born, better firite around. Let these experts of ours give it their undivided attention and have miles and inlies of trouble free driving, incidentally, don't forget, those periodic lubricaforget those periodic lubrica-tions and bil clianges so vital to our car's health.

That's that, but we know an employer who only hires mar-ried men. Says they don't get so upset when yelled at!
