WAYNE TO PRESENT PANEL SERIES ON IRON CURTAIN

Beginning April 17, Wayne University TV will contribute the combined knowledge of four professors, all experts on European affairs, toward world understanding, in a new series entitled "After Liberation!— What?"

The present land possible future status of the liron curtain courfesswill be reflected upon by a panel of six students and two professors on each of the eight programs. Dr. Richard Burks, assorties will be the department of the conomics department; and Dr. Fred E. Dobrs, secography department, will be the guest means of the repeating of the consensus and will feeture on specific areas of European politics, serving as panel members after speaking.

The effects of Western and Am-

speaking.

The effects of Western and American high policy on mid-Buropean development, and what influences this policy might have on the questions facing these small countries — mid-Buropean unity, problem of Germany, American Interest, and Russian strength can interest, and Russian strength
— will be the theme throughout
the series.

The program may be viewed
from 10:30 to 11 a.m. over WJBKTV, Channel 2.
