LIKE MEDICINE IN CURING PATIENTS

CURING PATIENTS

Some patients need more than medicine to part well and medicine to part with the partial properties of th

supplied to order treatment patients:

For bed patients, give them some narcissus, hyacinth or crocus bulbs that will grow rapidly in a container with small stones and water. Seeing roots and flowers develop gives them a lift and they can also become amateur interest broadcry.

plant breeders.

"Give a patient some labeled house plants, identifying tigm by both the common and selentifie names. With plants that grow in the woods are good material, too. Learning to identify the plants will give the patient hours of pleasure and it makes good use of his time.

sure and it makes good use of his time.

It the patient is artistic, he can appear a late of time learning a useful hobby. Give the patient a few flower containers, some chiesten wire or other device for holding flowers. It he is in a hospital, 1974. The will be able to find plenty of flowers of dismantle ind-rearrange.

The folder also contains many other suggestions on building a patient's interest in horiculture was employed with General Motors to take his mind off his troubles. Our protation. Tourist Trade Could Be Boosted Over Billion Mark

Boosted Over Billion Mark

An annual billion dollar tourist indistry for Michigan is envisioned with completion of the
