SUNSHINE SISTERS MEET Neighborhood Sunshine Sisters held an interesting meeting in the Neighborhood Church Wednesday afternoon, July 7. In connection with a great many Scriptural references, "Wives" was used as a devotional topic. Later, time was taken for a discussion of the present water situation in the City of Livonia. During the social hour delicious home-made cake was served by Mrs. John Varhol. As usual, the cake accompanied the talk. The next Sunshine meeting will be held on Wednesday, July 21, at 2 p.m. "Mountains" will be the topic. Bula Mae Kalpale will provide cake for the social hour.

City Police Enjoy

(Continued from Page One) jammed to overflowing with major and minor problems and circumstances.

Police credit the overcast skies and showers for holding the traffic down during the past week-end, plus the fact that almost every body was on the road during the July Fourth holiday. The peace and quiet can remain for a few weeks as far as the police are concerned. It is a mighty welcome change, indeed.

Municipal Court Interest High In Swim Program

The Farmington area recreation program is continuing nicely with interest high in the swimming outings to Kensington Park, Director Warren Piche stated this week.

Interest in the Tuesday and Thursday evening program, however, has lagged badly, Piche added, and for this reason the program will be temporarily discontinued. Candidates for a golf course offered did not respond last week, thus another call has been made for this Thursday at 1:00 p.m. at City Park. Anyone interested in the course is urged to be present.

Plans have now been completed for all field trips for the remainder of the recreation program, Piche stated. On Friday, July 16, all who sign up will be taken to the Zoo. The group will be split up the following Friday, July 23, for two tours.

The Farmington Park group will be taken to the Arctic Ice Cream Plant and the Bond and William Grace group to radio station WWJ and the Detroit News. On July 30 the Farmington Park youngsters will visit the Lincoln Mercury automobile plant and the Bond and William Grace children the Ford plant. For tours both will be limited, with those registering first getting to take the field trip. Only 60 from the Farmington Park group and 30 from Bond and 30 from William Grace will be permitted to take the field trips.

The summer recreation program will be concluded with the combined hand-recreation field trip on August 1.
