Youth Bible Hour Radio Talent To Appear Here

The interdenominational radio program for boys and girls, "The Children's Bible Hour" from Grand Rapids, will present a Rally Day program at the First Baptist Church, Shawasssee Farmington Road, this Sunday, September 19, at 10:20 a.m.

The staff featured will include "Aunt Bertha," Joan Kendall, music director; Linda, pianist; 12 year old Dick and 11 year old Karen, who offer duet work; Danny, the six year old drummer; Marianne, who sings the five year old Scripture text; and six year old Nicky, often called the sweetheart of the airwaves.

This group has prepared a program for both children and adults. It is suggested that families arrive early for the service in order to be seated with facility and so that the children may find seats with their age groups.

The public is invited by Superintendent Dietrich McFarland to attend this unusual program.

Obituaries

Michael Vargo
Michael Vargo of 20345 Melvin Street, Livonia, died suddenly at his residence September 9 from a heart condition.

He was born in Hungary on September 14, 1900, the son of Mihai and Anna (Budike) Vargo, and had resided in Livonia for four years prior to his death.

Vargo leaves his sister, Mrs. Teresa Skatina of Livonia and a brother of Traverse City.

Funeral services were held from the Spencer J. Heeney Funeral Home at 11:00 a.m. Saturday with interment in the Park View Memorial Cemetery in Livonia.

Francis M. Marshbanks
Following several months illness, Francis Marshbanks of 21311 Middlebelt died at Bloomfield Hospital on Monday, September 13.

He was born in North Carolina on January 17, 1882, the son of Thomas C. and Julia (Buckner) Marshbanks, and was married on March 12, 1910. He had made his home in Farmington for the past three years.

Mr. Marshbanks leaves his wife, Margaret L.; one daughter, Mrs. James Deeg of Pontiac; one son, Clyde, of Bloomfield, Michigan; three grandchildren, Annabelle Marshbanks of Bloomfield; and Charlene and Marsha Deeg of Pontiac; three brothers, Joseph of Virginia, William of Detroit, and Fred of North Carolina; and five sisters, Mrs. Lizzie Briggs, Mrs. Minnie Chandler, Mrs. Julia Gardner, Mrs. Pearl Boone, and Mrs. Vevie Holt of Virginia.

Funeral services will be held from the Temple Baptist Church Thursday with Mr. Willis Dunn officiating. Interment will be in Grand Lawn Cemetery in Detroit.

Fourteen of the nation's largest railroads each burned a half a million or more tons of coal last year, with the Union Pacific consuming nearly three million tons.

TO BROADCAST BIG GAMES OF MIDWEST FOOTBALL POWERS

The big games of three Midwestern football powers, Michigan, Notre Dame and Michigan State, will be broadcast over Station WJR starting with the Notre-Dame game at 2:25 p.m. Saturday, September 25.

For the second straight year, Bob Reynolds, ace Goodwill Station sports-caster, will broadcast the play-by-play account of the games and Ty Tyson, dean of Michigan sports-casters, will describe the color.

With the announcement of the Michigan, Notre Dame and Michigan State broadcasts, WJR completed arrangements to bring football fans accounts of four nationally prominent teams in this area. WJR earlier announced the broadcast of the complete exhibition and regular schedule of the Detroit Lions professional championship team.

Preceding the Detroit Lions Sunday games, Bob Powell will conduct a 15-minute program of pre-game information, called the "Lions Press Box".

Local Man Aids In Hurricane Area

Cecil Martin of 21137 Inkster Road was among the first group of Detroit Edison over-the-line men from Michigan flown to the Boston area to help in rebuilding electric power lines smashed by the recent hurricanes.

He is among the twenty-five Detroit Edison men who have been at work in the Boston suburbs since September 3. They were flown there by chartered plane after "Hurricane Carol" knocked out service to 98 per cent of the 80,000 electric customers in the Malden, Medford, Melrose, Everett, Lynn, and Linden neighborhoods north of metropolitan Boston.

Within four days after the first hurricane, service was almost completely restored, but the Detroit Edison crews were held over after reports that "Hurricane Edna" was approaching the New England coast. "Edna" struck last Saturday.

At the request of the Boston Edison Company, a second group of 20 Detroit Edison men was dispatched by plane Sunday evening. In addition, four trucks, four drivers and four ground crewmen were sent by train.

NOVI NEWS

By MRS. GEORGE WAITE
Phone Northville 1200-W3

Mr. and Mrs. Charles Hamilton left Monday for a week's business trip to Chatelevin.

Mr. and Mrs. Prazer Staman and son Matthew returned home Thursday from a trip to Yellowstone National Park.

Cpl. L. Luckey, home on a 30-day furlough from Arkansas, spent a few days the past week with the R. E. Waids and J. W. Chandlers at Wixom as well as other relatives and friends.

Mr. and Mrs. Andy Kotak are the proud parents of a baby daughter, born Friday at Sessions Hospital.

Mrs. Fairy Young and her sister, Mrs. George Miles, are entertaining guests from Houston, Texas.

Mr. and Mrs. Russell Button have a new daughter, born recently at Mt. Carmel Hospital.

Mrs. Larry Kestler of Chatham, Ontario, recently visiting the Frank Tamms, has now gone to An Arbor to visit friends.

Looking Ahead

By DR. GEORGE S. BENSON

(Continued from Page 2A) right on our doorstep. The Senate Committee reports the following statistics: Argentina, 40-100 Reds (more, incidentally, than Lenin had with him when he seized control of Russia); Brazil, 50-100; Chile, 40,000; Uruguay, 15,000; Venezuela, 20,000. Mexico, the Central American countries, and Canada have comparable numbers.

Communists in our own country continue to widen their effectiveness with propaganda calculated to subtly undermine our people's faith in the American political and economic institutions. Philbrick and all the authorities on Communism say the Reds are masters of subtle thought control, and that through infiltration and the use of an array of unwitting dupes, they are effectively reaching the minds of many citizens.

So the actual facts do show that the strength of Communism is growing, expanding; and that it is a menace to America from within as well as from without. What can a citizen do? A part of the answer will be found in next week's column.

NEW OBSERVATION POSTS

Ground observation posts to cover Huron County, similar to the one recently erected at Sebawaing, are planned for Caseville, Bay Port, Owendale, Elkton, Red Bank, Huron Beach, Port Hope and Port Austin. Funds for the building program, in the amount of \$4,600, were appropriated recently by the Huron County Board of Supervisors.

THE MICHIGAN MIRROR

By GENE ALLEMAN

(Continued from Page 2A)

Dean Scott points out: "It seems logical that since health is the admitted business of the state, willness a State Health Department, state care of mental patients, persons suffering from tuberculosis and other diseases, that the state cannot separate medical education, an integral part of health maintenance, from these other public-accepted responsibilities."

Since indications are that a higher percentage of Wayne medical graduates stay in Michigan to practice than do from the U. of M., there is room for argument that the legislature should help support the smaller medical school.

The Legislature is less concerned with problems caused by doctor shortage than it could be.

A resolution that would have created a committee to study the

No state money is spent to operate Wayne medical school. It is financed by the City of Detroit.

Extensive Detroit CD Exercise Planned In Fall

A training exercise for Detroit Civil Defense volunteers, involving the coordination of several operating divisions, is planned for November. Plans for a test of even greater scope, possibly city-wide, to be held in the spring of 1955 have been given tentative approval. Experience in coordinated planning, gained during the exercise held on June 14, 1954, in connection with the nationwide "Operation Alert," prompted requests for additional tests from representatives of the fire, police, communications, wardens, medical, welfare, rescue and utilities divisions which participated in the June test.

subject in general did not receive favorable action despite efforts of Representative Ben E. Lohman, chairman of the Public Health Committee.

Weather conditions will not affect the use of the new Mackinac Straits bridge. It is safe to drive on the highway, the bridge will be safe, too.
