

### REASON GIVEN FOR NOT GETTING TAX STATEMENTS

Clayton Goers, Township Treasurer, stated this week that his office should be notified at once of any change of property ownership in order to insure the proper mailing to tax statements.

The notification was contained in a letter to Dr. Joseph Gadway, chairman of the Citizens' Water Committee. Dr. Gadway had asked the question after a number of property owners in the southern section of the township had claimed they had not received statements during the 1954 tax period. Goers stated that in the event of property changing hands where neither the buyer nor seller gave notification, the treasurer is obligated to follow the tax rolls with the result that the proper person doesn't always receive the notices. Persons are requested to notify the township office of the name, address, lot number and subdivision, where a change of ownership has taken place. This can be done in person or by calling Farmington 1232.

### Plans Completed

(Continued from Page 6A) Bellamy Partridge, is being directed by Mrs. Farrell Weber and Richard Stuntz. The story concerns a family in Connecticut who have moved into a house they have restored to its colonial state. After a brief period, a middle-aged Yankee couple arrive, claiming the place is theirs. They move in and the situations that arise with both families under one roof create a wealth of comedy.

In the cast are: Mrs. Franklin Sullivan, Ernest Hickman, Mrs. John Perry, Mrs. Clarence Stoll, Mrs. George Nahstoll, Mrs. Alex Millard, George Hall, Walter Orr, Mrs. Fred Hamilton, John Rogers, Ron Jackson, William Wilson, Owen Martin and Franklin Sullivan. Tickets may be obtained from any member of the Players group or from the ticket chairman, James Cavanaugh. The Clarenceville Methodist Bowling League was entertained Saturday evening at the home of Mr. and Mrs. Russ Cowan of Ren-seller Street.

### Guest Speaker

DONALD PRICE

The Missionary Baptist Church will have a Family Sunday on October 31, with guest speaker Donald Price of the Mel Tractor Mission in Grand Rapids to be present in the evening. Mr. Price, an ex-convict, will give his testimony on the theme "From Criminal to Christian." A hard time party and pot-luck supper will be held at the Wheel-er Street Fire Hall Saturday night. Families of the church are asked to come dressed in rags and tatters.

### COMMUNITY CALENDAR of EVENTS

 2:00 p.m. Women's Club  
 6:30 p.m. Optimist Club

### Allocate Funds

(Continued from Page One) tees Thomas Tardy and Fred Westlake that a new 1955 Ford police car has been ordered from the Berling - McHugh Agency. It is expected to be delivered about December 1. The Board, at its last meeting, authorized Tardy and Westlake to proceed with the purchase. A petition, bearing the names of 420 registered voters, was submitted to the Board requesting a change in zoning from residential to commercial of a parcel of land on Farmington Road near Flanders Street. The petition was filed by Richard Sostera, Sr. who stated that he wished to establish a grocery store in a building located on the property. The building was used for a store for some time prior to the adoption of a zoning ordinance, but is presently zoned as residential. The petition was accepted and placed on the pending a check of the signatures. It will be presented at the next meeting of the Board. The Michigan Consolidated Gas Company has requested a hearing before the Township Board in connection with the proposed rezoning of property adjacent to its installation on Northwestern and Fourteen Mile Road. The Township Zoning Board has recommended that the rezoning not be granted and the proposal has been forwarded to the Oakland County Zoning Board for consideration.

### Predict Heavy

(Continued from Page One) military service during the "Korean War". The fourth proposed amendment to the State Constitution would permit the Legislature to authorize lotteries to be conducted by and lottery tickets sold by non-profitable charitable organizations. Both the City and Township Clerks urged voters to be familiar with the proposals before they come to the polls. The County Court House and office building proposal reads "shall the limitation on the total amount of taxes which may be assessed each year against property in the County of Oakland, State of Michigan, for all purposes except taxes for payment of interest and principal on obligations incurred prior to December 31, 1952, be increased for a period of 20 years from 1955 to 1974, both inclusive, by 1/20th of 1% of the assessed valuation as equalized?" The levy is being requested for the purpose of paying principal and interest on bonds aggregating not to exceed \$4,500,000 in principal amount, to be issued to pay the cost of erecting a county building in the City of Pontiac, to house courts and general county offices.

### Strolling Around In The Southeast

**Lorna Rice Phone 0356-M**

Twenty-four boys were initiated into the Cub Scouts Thursday evening at the Clarenceville High School. A recruiting drive had been promoted in the schools and the result was the largest class of new Cubs in a long time. Several interesting skits were presented and awards were made. Mr. and Mrs. Gerald Bassett and family of Albion Street attended a birthday party in Detroit last Friday evening. The party was given in honor of Mrs. Theresa Brandywine, who is Mrs. Bassett's mother.

### Auto Accidents

(Continued from Page One) gasoline truck which Carroll was driving went about 300 feet east of the intersection before leaving the pavement and plowing into a field. The truck trailer rolled over, spilling gasoline along its path. Fortunately the cab remained upright. The Farmington Fire Department was called to stand by in case of fire and traffic was re-routed for about an hour. This is the second accident involving a gasoline truck to occur at the intersection in the past two weeks. Two youths were injured Monday in a two-car collision at Tart Road and Nine Mile in Novi Township. Injured were Richard A. Rippee, 19, of 26224 Tart Road, and Richard A. Barsuhn, 22, of Detroit. Rippee suffered abrasions of the scalp and Burns of the right shoulder. Both were taken to Sessions Hospital in Northville for treatment. According to a state police report Barsuhn, who was traveling west on Nine Mile, failed to stop for a stop sign and crashed into Rippee, who was proceeding south on Tart Road.

### Board Approves

(Continued from Page Six) possible construction of a sewage treatment system. Blanchard emphasized that the resolution does not obligate the township as a whole. The responsibility for the cost of the system will be shared by those included in the sewage district.

### City To Request

(Continued from Page One) discussed briefly with Farmington Township officials although no progress can be made until authority has been received from the State. Such authority is necessary because the proposal covers more than one municipality or unit of government. Regardless of the outcome of the conference, work is continuing on the drafting of plans for the city sewage disposal plant. Tennant pointed out that the establishment of an authority may not greatly alter the city's plans since an over-all program might require the establishment of several such plants located throughout the area. However, it would reduce the cost of the entire project and provide adequate service for a much larger number of people.
