ship officers will meet in the General Election in April. Only Republican candidates have filed for the Primary.

Contests have been assured on the Republican ticket for the offices of Supervisor, Clerk, Board Trustees, and Justice of the Peace. Three candidates have filed for nomination as Supervisor. They include: Ernest Blomquist, Wilfred James, and Fred G. Henke. Five candidates, Floyd Clark, Howard E. Eldredge, Edward J. Jarvis, Harry MacCracken, and Robert H. Ridgeway, are seeking nomination as Township Clerk. Ten candidates are seeking nomination to the four Board Trustee posts. They are: Elmer Avers, Ward Eagle, Earl D. Marks, Ross S. Patterson, Edward Shafer, John H. Spaller, Thomas Tardy, Fred Westlake, Howard West, and Howard Wilford. Alton C. Ingle and Margaret G. Shafer are both seeking the nomination of Justice of the Peace, short and long term.

A man who makes a business of catching mice says they prefer rain drops to cheese.

INTEREST LAGS IN WOMEN'S ADULT PROGRAM

The Women's Adult Recreation Program of the Clarenceville area is in danger of being discontinued because of a lack of interest and participation, officials announced this week.

Activities are conducted every Wednesday evening from 6:30 to 8:30 at the Clarenceville High School gymnasium under the supervision of Mrs. Jane Aspin. Dancing and various organized games are being featured. The program is being sponsored by the Clarenceville Recreation Commission.

Plan Dog Clinic

(Continued from Page One)

All dogs in the township must be licensed, according to law. Dr. Herbert Houshoun, D.V.M., will be in charge of the clinic which is sponsored by the County Health Department. A fee of \$1.50 will be charged for each vaccination.

Local Players To Give 'Harvey'

The Farmington Players are now in rehearsal for "Harvey," the Pulitzer prize winning play by Mary Chase. It is presented at the Farmington Methodist Church auditorium on Thursday, Friday and Saturday, March 24, 25, and 26.

Directing is Donald Craig, who has directed numerous plays, both professional and amateur, on the West Coast. He is presently directing a one-act play for the Ridgeway Players. Ron Jackson is assisting Mr. Craig with rehearsals being held at the Charles H. Hannan studio on Howard Road.

The cast includes Betty Horace, Nancy Cribbs, Jean Anderson, Mrs. Franklin Sullivan, Mrs. Farrell Weber, Mrs. Horace Stevens, James Cavanaugh, Parley Thompson, Harry Farmer, Franklin Sullivan, George Nahstoll and Horace Stevens.

On Saturday, February 19, the group will meet in Adams Hall at 8:00 p.m. for its monthly meeting. Professor Lewin Goff of Michigan State College Department of Speech, will speak to the group on the topic "Modern Plays and Playwrights." Members are invited to bring guests.

Hosts for the evening will be Mr. and Mrs. James Cavanaugh and Mr. and Mrs. Wesley Orr.

Open Fund Drive

(Continued from Page One)

nial, scrap drive, talent show and dances. The Clarenceville Recreation Commission agreed to turn over the receipts from their square dances to the project.

THE POSSIBILITY of a house-to-house campaign was also discussed as a committee appointed to divide the school district into sections for the purpose of solicitation. Under the plan, each of the participating organizations would be responsible for a particular section. It is proposed that the solicitation be initiated in April. A fund has been set up in the financial account of the School District. For the project and anyone desiring to contribute should make checks payable to the "Clarenceville School Athletic Field Fund."

Organizations participating in the Monday evening meeting were: The Optimist Club, Clarenceville Teachers' Club, Clarenceville Alumni, V. E. W., Odd Fellows, Elks, Mothers' Clubs in the District, Rebekah Lodge, Northeast Livonia Civic Association, and the Clarenceville School Board. This meeting of the group will be held on March 7 at 7:30 p.m. in the high school.

Honor Past Presidents At Silver Tea Luncheon

Hostess at the annual Silver Tea, a luncheon honoring past presidents of the Ladies Auxiliary of Friendship Lodge 417, P. & A. M., was Mrs. Carl C. Kotofsky, 2920 Eight Mile Road. A total of 29 ladies were present.

Hand painted organza tea aprons were presented to the oldest past president present, Ellen Langbecht, 1912; the youngest, Mrs. Englebrecht, 1954; and to Emilie Charney, entertainment chairman, by Mrs. Kotofsky.

of two changes in the agreement.

"Pore" stated that the changes, involving drainage of the homes of the southern section of the subdivision, at the satisfaction that elevations on the existing map be adhered to, would be incorporated in the agreement and presented to the city and to the Green for signature.

The Council approved a motion to table a request from the Farmington Development Company for the rezoning of the subdivision to light industrial of a piece of property located on the east side of Farmington Road between Nine Mile Road and the Grand River Cut-off. The question is being delayed until the next Council meeting, pending a meeting between the City Manager and the State Highway Commission regarding the rezoning for the development of the Grand River Cut-off.

Action was taken by the Council approving a resolution that where adequate public sewer is available, installation of septic tanks shall not be required as a condition of issuing an occupancy certificate. It was explained that the rezoning was being made toward the early installation of a sewage interceptor between Farmington and the City of Detroit sewer system.

LONGER, COLDER DAYS IN STORE FOR FEBRUARY

Longer and colder days are in store for us in February, according to Associate Professor Hazel M. L. of the University of Michigan's astronomy department.

"A 'lag of seasons' causes the lowest temperatures of the year to occur for several weeks after the date of the winter solstice when the sun reaches the most southerly point in its apparent yearly journey around the earth," says Professor Loh.

"The atmosphere acts like a blanket and holds back some of the heat that falls on its surface and for some time after December 22 the northern hemisphere is losing more heat at night than can be replaced effectively by the sun during the shorter-than-average days," she adds.

The days will lengthen to 11 hours by the end of the month with the most noticeable effect a one-and-a-half hour longer afternoon, caused by the fact that the sun we set our watches by is, a fictitious one assumed to move at a regular rate. The real sun moves erratically and although our watches say noon it has not yet reached the meridian, which put our Standard Time about an hour-and-a-half ahead of the sun and gives us the longer afternoon, Professor Loh explains.

RECORD NUMBER OF GEESE, DUCKS WINTER IN STATE

About 300,000 ducks and geese are spending the winter in Michigan, the highest total in the last seven years.

Conservation department aerial and ground surveys conducted in January showed the largest concentrations of birds on Lakes St. Clair and Erie and in the Kalamazoo and St. Joseph River basins. The total included about 280,000 ducks, mostly on the eastern lake waters, and 15,000 geese, scattered over the western river basins.

Small clusters of birds also were found on scattered rivers, potholes and in other open areas.

Herbert J. Miller, department waterfowl specialist, says light snowfalls and generally mild weather have made open water, field grains and shore foods available to the birds.

The area chapter of the American Red Cross is one of over 3,700 chapters throughout the United States serving people in time of need.

for to call the city's interest to the township.

Unanimous approval was given to a resolution calling for the advance of \$1,000 to help pay for the cost of a preliminary survey in connection with the proposed Southwest Oakland County Sewage Authority. The resolution states that the money will be repaid to the Township Board from future bond issue funds. The Township of Waterford and West Bloomfield have also advanced \$1,000 for the survey and Southfield Township is expected to approve a similar resolution.

The Board approved a motion to act as agent between the Franklin Knolls Association and the Detroit Board of Commissioners, requested installation of street lights on Fourteen Mile, Middlebelt and Northwestern Highway subject to the approval of the Association. Since the Edison Company can not deal directly with a civic group, the township was asked to serve as agent.

Action was taken setting Friday, February 25, as the date of the Annual Election of officers for the Woodbine Water System. Harry MacCracken, clerk, stated that he would assist in the determining of a location for the station.

COUNCIL PLANS SPECIAL HEARING ON ALLEY VACATION

A special hearing on the proposed vacation of an alley running south from Ten Mile and west of Orchard Lake Road in the Bel-Aire Subdivision will be held on Monday, February 21, at 8:00 p.m. in the Municipal Building.

The initial reading of the resolution to vacate was held at the regular meeting of the Council Monday evening. The developers of the Bel-Aire Hills Subdivision have requested that the alley be abolished to provide additional facilities for the construction of a shopping center on the west side of Orchard Lake Road near Ten Mile.

STRICT SAUSAGE LAW IN FORCE IN MICHIGAN

Sausage makers licensed to sell their products in Michigan, comply with the most stringent laws in the nation as was seen recently when a shipment of an outstate packer's sausage was seized under seizure by the Michigan Department of Agriculture.

The sausage of the packer contained pork snouts, pork stomachs, beef lungs, beef spleen and pork skins, according to the declaration on the label of the three-pound can. All five of the ingredients are illegal in sausage sold in Michigan, although they are legal in some other states. Only skeletal meats can be used in sausage sold to the housewife in the Wolverine state. Frequently sausage makers in other states who are licensed to sell here have to make an entirely separate formula of sausage in order to comply with Michigan's strict sausage law.

Recently a purchaser for a school lunch program bought from a salesman of a packer unlicensed in Michigan a quantity of sausage containing meats which the Michigan Department of Agriculture ruled illegal for use in this state.

Board To Review

(Continued from Page One)

is providing better transportation than is required by the State regulations.

During the 1953-54 school year a total of 198,630 miles were traveled by 17 Farmington School District buses, Duncal stated. The District received a total of \$57,009.09 reimbursement from the state for this transportation. Duncal stated that the total cost for the year was \$57,296.59 with the District paying the balance between the state funds and the actual cost. The maximum distance traveled by a single bus during the 1953-54 school year was 18,933 miles.

The average food manufacturing company earns about 2 1/2 cents on every dollar of sales, and the average food retailer earns one cent on the dollar.

EARLY FIGURES INDICATE SUCCESS FOR MARCH OF DIMES

Although final figures are still not available, it is indicated that both the City and Township of Farmington as well as Clarenceville will be over the top in the recent March of Dimes Campaign. It is anticipated that final figures will be available in time for a special pot luck luncheon to be held Tuesday, February 22, at the Town Hall for all local March of Dimes workers.

A report last Friday from the Oakland County Chapter of the National Foundation for Infidelity has disclosed that \$193,720 had been collected through the Mothers' Marches and mail campaign in the county to that date. Returns from 11 counties, special events and school collections have not yet been tabulated.

HEARTS AND FLOWERS--

To you too -- and a gay Valentines Day. We got the hearts -- candy kind and beef kind. The beef kind are 19c a lb. and you know what the candy ones are like -- and if your small fry needs a gob of valentines we have some packages of them. For the flowers -- if you want the smelly kind you'll have to call Mayers' but if you want the cookin' kind there's 25 lbs. of Gold Medal for \$1.99 yet. Then the meat boys tell me they have some fresh ground fresh beef at 3 lbs. for \$1.00. To go on that how about a jar of Heinz relish for 29c? That brings us to that sauer kraut again -- seems like we're in a rut with that this winter -- so we bought another kind -- this time it's Aunt Jemima's 2 lb. glass quart jar for 29c. Now you need a spare rib, doncha? They are 49c a lb., with meat on 'em! Fer Sunday roastin', there's a U. S. Choice beef roast for 49c a lb. Seems like most any kind of vegetable goes with beef and we got a lotta nice fresh ones -- like turnips and rutabagoes and carrots, and parsnips and brussel sprouts and all kinds of stuff like that there. We've some pork butts, too, at 45c a lb. in case you prefer pork to beef. You gotta one of them tastes mighty good boiled with kraut. You gotta admit that we're sure tryin' to getcha to eat sauer kraut. Suppose you'd like to know we're sellin' Land O Lakes butter for 69c a lb., too -- wouldn'tcha?? Wouldcha like to know, too, that we've some very pretty dishes on a deal here. Stop in and give 'em a look-see -- will yuh?
