Enjoy Ford's new Trigger-Torque Power design and deep-block construction, you can enjoy smooth performance and long engine life. Relax in the smooth comfort of new Angle-Poised Ride Ball-Joint Front Suspension, which Ford introduced in its field last year, has proved itself over billions of miles to be one of the greatest contributions ever made to easier riding and handling. And now, for '55 it is still better. Springs are set at an angle so they absorb road shock from the front as well as straight up. This provides delicate responsiveness to cushion tiny bumps as well as husky "muscle" to flatten the big bumps. Take your pick from 16 brilliant new Ford Models This year, you get Thunderbird-inspired styling in any Ford model you choose. You'll find there's a variety of exciting new single and two-tone body colors with charmingly color-keyed Luxury Lounge Interiors. Come in for a Trigger-Torque Test Drive! BERLING - McHUGH, INC.
