

### Western Wayne Realtors At Legislation Dinner

Members of the Western Wayne County Board of Realtors were in attendance Wednesday evening, March 2, at a legislative dinner at the Hotel Olds in Detroit.

Guests of the group at the dinner were Senator J. B. Swanson, Representative Leonard Wood, and Hiram McMeley of this district.

A reception was held at 6:00 p.m. followed by the dinner at 7:00 p.m.

Such has been the constantly increasing use of radio-activity in the field of medicine that it's estimated more lives have been saved by the atom today than were destroyed in the Hiroshima and Nagasaki explosions.

WOODBINE — SPRINGBROOK — FLORAL PARK  
Mrs. Howard Legg Phone 2265-W

Did you notice our new head-... We are expanding our column to include Floral Park, Springbrook, Woodbine and parts of Hollywood and Grand River Subdivisions, so our old heading "Springbrook Area Briefs" proved very incomplete. I will be very happy to hear from each and every one of you in and around these areas and take your bits of news for this column.

The Middlebelt, William Grace and Noble Schools, P. T. A. group will meet Monday, March 7, at 8 p.m. at the Middlebelt School. The "Birthdays Breakfast Club" met at the home of Mrs. Marie Taylor, on Westmoreland last Thursday to honor Mrs. Sally Rudy. Ten neighborhood ladies were present.

Mrs. William Sullivan of 25391 Brookview celebrated her birthday on February 22. A typographical error in last week's issue of The Enterprise was brought to my attention. It was reported that Novi turned in only \$370.49 in the recent March of Dimes Drive. The figure should have been \$1,370.94. Our mistake.

A passing note from James McBride of this neighborhood indicates that all the rain we've been having isn't doing much good in filling up dry wells in the area. The Citizens Water Committee is working as fast as possible with detail work, however, McBride stated to have some more action on a solution to area water shortages. Another public meeting of the group is planned soon, he said.

Mrs. and Mrs. Roy Jackson of 28474 Wildwood Trail proudly announce the arrival of a baby daughter born February 2 at St. Joseph Mercy Hospital in Pontiac. With the addition of the new born, Jane Beatrice, the Jacksons now have three little youngsters: two girls and a boy.

Mrs. and Mrs. Morley Godley and daughters returned to their home at 28078 Wildwood Trail on February 29 after attending fundal service for Mr. Scott Godley at Millersburg, Michigan.

Mrs. Andre Pennell entertained a group of her friends on Wednesday evening at a Stanley party. The Pennells live on Inkster Road.

Six members from the Springbrook Ladies Club attended the Hollywood Ice Review on February 24. After the show the group had dinner together.

Miss Mary Hoefel has resumed studies at the University of Detroit after a short absence during which time she worked for Michigan Bell Telephone Company. Miss Hoefel lives with her parents, Mr. and Mrs. Peter Hoefel, at 30836 West Ten Mile.

A recent injury while at work resulted in a painful broken wrist for Leonard Goers of 22416 Cora Street.

An open house was held at the Springbrook Drive home of Mr. and Mrs. Robert Taylor on Saturday evening, February 26. Friends and neighbors showered the couple with many lovely and useful gifts.

Miss Sandra Cossentine entertained 17 of her little friends on Saturday at a 4th birthday party. Sandra is the daughter of Mr. and Mrs. Lester Cossentine.

Mrs. Patricia Taylor was honored with a baby shower last Tuesday evening at the home of Mrs. Mary Ann DeWaters. Sixteen neighbors and friends gathered at the DeWaters Springbrook Drive home for the shower.

### Looking Ahead

By DR. GEORGE S. BENSON

(Continued from Page 2A)

serves, "a man who was sacked or took leave of the Great Western Railway could transfer himself to the London and North Western Railway or any one of a half dozen other private railway enterprises. But if he offends a station master or a superintendent on the line to Brighton, all lines will be forbidden to him; for they are all owned by one employer (the government)."

We in America must recognize that the political come-ons of "public ownership" and government control — in the name of "helping the wage earners" — are frauds. England's railway employees are learning this awful lesson — but perhaps too late.

Mrs. Lewis Libstaff Phone 1502-M

Miss Joan Rosenboom and her fiancé, Mr. Edward Strey, took a trip to Ann Arbor on a recent Sunday to visit Miss Virginia Knecht and Miss Sally Glass, Jo's former roommates at the University of Michigan.

Mrs. Alice Coe of 31220 Farmington Road, manager of the school cafeteria, was hostess last Thursday for the Manager's Club. Games were played and prizes presented the winners. Luncheon was then served to the seven guests present.

The Baptist Mission Society held several meetings in this area last Thursday. The Deborah Circle, Mrs. M. Campbell, chairman, met at the home of Mrs. Charles E. Murphy, 29707 West Ten Mile Road, with Mrs. Ralph Vert acting as hostess. Work on layettes kept the eleven members present busy. After the program and devotions a lunch was served.

Mrs. A. D. Reynolds of 21949 Middlebelt Road was hostess to the Alice Circle, of which Mrs. Port Stewart of Rosehill Drive is chairman. There were seven present, working on bagpades. They enjoyed a lunch after the program and devotions.

Mrs. D. Harlow, of 28231 Nine Mile Road, chairman of the Father Circle, opened her home for the meeting of that group. They worked on layettes for the Mexican migrants. They had a program and devotions. Lunch was enjoyed by the eight members there.

Sandra and Barbara Lynn, daughters of Mr. and Mrs. Lawrence Craig of 3171 Moranza, Walpole Lake, at St. Joseph Hospital, Pontiac, on February 18.

Paternal grandparents are Mr. and Mrs. Lloyd Craig of Novi and maternal grandparents are Mr. and Mrs. Raymond Langlais of Farmington.

Two young sisters, Phyllis, 5, and Paula, 4, helped greet the new sister into the world.
