Juniors Present Variety Show

"Y'all Come." The Annual Talent Show sponsored by the Junior Class, was given on Friday, March 25. The setting for the show was a hobo camp. A group of juniors dressed as hoboes and arranged as a chorus began the show with a musical "Y'all come." Enceasing the show was Doug Vogt, who introduced the acts.

The talent line-up in the show consisted of Chuck Meyers, Glen Kelly, Judy Gardner, and Bob Kelly singing in a quartet; Gerry Rogers' dance band; Chuck Meyers and Beverly Signor duet; Thyonna Smith, vocal; Gail Abrams, piano; Dixie Baum, tap; Dick Corey, magician; Russell Lawrence, ventriloquist; Judith Dowdy, tap; Phyllis Albertus, vocal; and special guests Carol Musiele and Tommy Bartel in a tap duet. Tommy also danced a solo.

The Juniors wish to thank all those persons connected with the show for their help and participation. The Juniors also wish to mention their play, "Saturday Evening Host," which will be held at the Clarenceville High School gym on April 22 at 8:00 p.m.

A grain of gold will give a great surface, but not so much as a grain of wisdom.

April 2 Date Set For Scrap Drive

People in the Clarenceville School District are reminded that Saturday, April 2, has been set as the date for the collection of scrap by the Clarenceville High School Varsity Club.

Money earned from the collection will be turned over to the United Athletic Field fund. The drive will begin at 9:00 a.m. and conclude when all sources have been contacted.

Trucks will tour the district and people are urged to have any scrap ready for the boys to load into the truck. Non-ferrous metals will be mainly sought. Such items as copper, lead, tin, etc., bring the best prices. All people are asked to cooperate in making the drive a success.

Special arrangements for pickups of large amounts of scrap metal can be made by calling the Board of Education office, Farmington 2529.

Student Council Presents ROUNDED Musical Program

The students of Clarenceville High School were recently entertained by a musical program provided by the Student Council. The program was a quartet that called themselves the "Rhythm Aces."

They presented a very versatile program. First they sang a selection of religious songs, followed by semi-classical tunes, during which they each did a solo number. They closed the program with vocalizations on the current popular hits. They also did a bit of humorous clowning interspersed between vocals.

The program was warmly received by the audience.

Lettermen Return To CHS Squad

Coach Nick Ianni's defending W. O. C. L. baseball champions began drills in the high school gym last week. A good turnout of 35 boys answered the opening call. Nine returning lettermen will form the nucleus of this year's team. The Trojans will be attempting to capture their fourth consecutive league crown.

The top-flight battery of Pitcher Glen Reed and Catcher Bob Greer is back to brighten the prospects of success. Reed, besides being an outstanding hurler, was also the top hitter on the team last year, ending the season with an average of .525. Other first team members returning this year include Dave Manafort, shortstop; Duane Roy, third base; Bob Soap, center field; Lettermen Dan Colegrove, Ray Carlson, Jim Jones, and Captain Bob Snell look like sure bets for other vacant first team slots.

Top flight sophomores including Dale Davis, Lefty and David Kautla, and Sam LeBrenne also plan for a repeat championship. Main problems seem to be the finding of a second pitcher and the outfield.

A meeting of the senior class was called to order by Vice-President Glen Reed. He asked Nancy Moore, treasurer, to give the treasury report. Miss Meyers then took over the meeting and told the class how much money they would have to raise to take the trip.

Going Ahead With Plans For Edgewood Addition

Final approval to proceed with advertising for bids for the construction of the addition to Edgewood Elementary School was received from the Housing and Home Finance Administration on March 7. On March 10 the Clarenceville Board of Education approved a resolution to advertise and set the date of April 21 for the opening of bids on the Edgewood addition.

Plans at Edgewood provide for four classrooms, a health room, office, storeroom, and a change in the lavatory facilities. It is hoped the work will begin the latter part of April.

On March 24 the Board of Education discussed plans for an addition to the Hotford School with Eberle M. Smith Associates. Steps are being taken to proceed with the building as soon as possible.

She went on a strenuous 14-day diet and all she lost was two weeks.
