### NANCY HODGINS TAKES FIRST WITH DRAMATIC READING

The speech forensics contest was held at Walled Lake Friday, March 25.

The six schools competing in the contest were: VanDyke, Waterford, Walled Lake, Plymouth, Southfield and Farmington High Schools. There were about 50 students from the above schools entered in the forensics contest.

Farmington High had six students competing in various speech events.

Nancy Hodgins, sophomore, received first place in the dramatic group. Directly behind her with his dramatic reading was Bob Ryan, receiving a second place. There were approximately nine students in the dramatic group.

Robera Spatter and Lea Nathan gave humorous speeches and Jay Nison and Gordon Harshfield gave extemporaneous speeches. They did well but didn't place above third.

Students who finish below first are eligible to go on and compete in the regional forensics contest. Nancy Hodgins will be the only Farmington High student competing in the regionals.

As of this writing there have been no date or place set for the regional competition.

### FHS STUDENTS LOSE IN TELEVISION QUIZ PROGRAM

Farmington High students lost to Southfield in the quiz program, "Quiz 'em on the Air," Saturday, April 2.

The Farmington team, made up of Mary Lee Bryan, Bonnie Sovewich, Craig Rockafellow, and Rudy Golla, missed two questions to fall behind Southfield 150-250. Both teams finished the last half without a mistake, leaving Farmington on the short end of a 400 - 500 score.

The Farmington team, along with Mr. Tarmo Mantala, school studies teacher, and Bruce Shoukist, Farmington alternate, were treated to breakfast before the television program.

Even though Farmington missed winning the first prize of a television set, they did receive a radio.

There is no question but that the use of slang, hackneyed phrases, and clichés worn smooth make for intellectual laziness, and it constantly used blur, the sense of discrimination.
