

### Wins Outstanding Engineer Award

Jahn William Kytola, a senior at Michigan College of Mining and Technology, received the 75th annual award from the student branch of the American Society of Mechanical Engineers for being the outstanding mechanical engineering student on the Tech campus. He received the citation at a banquet held in Houghton on April 8.

The son of Mr. and Mrs. W. K. Kytola of Livonia; Kytola is a graduate of the Clarenceville High School and is majoring in being a mechanical engineering at Tech. Since entering the school he has been active in a number of organizations. He is the president of the Tech Military Council, secretary of the Society of American Military Engineers, a member of the American Society of Mechanical Engineers, and is a cadet first lieutenant in the Army ROTC at the college.

Kytola attended the Sault branch of Michigan Tech for two years before enrolling at the Houghton school.

### Clarenceville P.T.A. To Hear Police Woman

The Clarenceville High School P. T. A. will meet Monday evening, April 18, at the high school. Guest speaker will be Mary Ford, police woman from the Livonia police force. She will speak on juvenile delinquency. Officers for the coming year will be elected at the meeting. Following the regular meeting, a social hour will be held and a luncheon will be served.

### SOMETHING EXTRA

There's something "Extra" in a prescription compounded by our expert Pharmacists. That "something extra" is invisible... yet you know it's there. Not only do we put in the purest drugs available... with the utmost of care and accuracy... but in addition there's the EXTRA plus of the dependability of our expert pharmacists.

### FOURTH DRIVING CLASS TO BEGIN AT CLARENCEVILLE

The fourth session of Adult Driver Education classes at Clarenceville High School will begin Monday, April 18. Persons interested in receiving driving instruction are asked to call Farmington 2529 for more detailed information.

Approximately 65 persons have learned to drive through these classes thus far this school year, officials stated. The class has been especially popular to wives who had not previously learned to drive but have a need for transportation.

### WALLED LAKE MAN RECEIVES COVETED SPANIEL AWARD

Howard Mesnard of Wall Lake was recently awarded the coveted Martin J. Hogan Memorial trophy for 1954 in Chicago at the annual dinner of the English Springer Spaniel Club of the Central States.

This is an annual award made by the combined Springer Spaniel clubs of the Midwest to the person chosen by a committee, who has done the most outstanding work toward improving the breeding, training and advancement of the Springer Spaniel. It is one of the highest honors in Springerdom.

Mesnard is owner of the Huntersfield Kennels, 10545 Fourteen Mile Road, Wall Lake, and is internationally known as a breeder and trainer of hunting springers. He is founder and president of the Southern Michigan Springer Spaniel Training Club, lifetime honorary member of English Springer Spaniel Club of Michigan, and member of South Oakland County Sportsmen's Club.

Men of the noblest dispositions think themselves happiest when others share their happiness with them.

### To Attend Insurance Convention In Chicago

Fred P. Samra of the State Farm Insurance Company, 27228 Grand River, will attend the insurance company's Regional Leaders Club convention in Chicago, Illinois, it was disclosed this week. The convention will be held on May 9, 10 and 11. Samra qualified for the honor of attending the convention through his outstanding service during the past year in State Farm's multiple lines of insurance - auto, life and fire. He will be honored along with other State Farm Leaders.

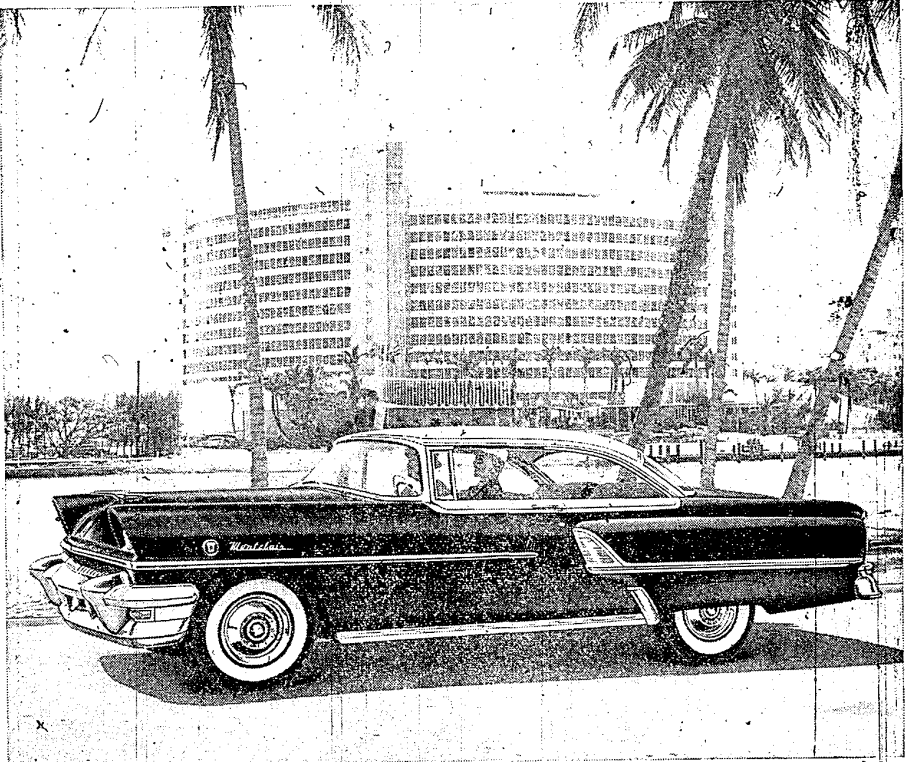

Mr. Samra will be accompanied at the convention by his wife. The prices we pay for the food we eat are greatly affected by taxes. About 21 out of every \$3 that a housewife spends on food goes for taxes of one kind or another.

**See how Mercury costs you less — gives you more for your money**

### HERE'S WHAT YOU GET

Exclusive styling—There's no mistaking a Mercury. Its styling is distinctive—designed for Mercury and Mercury alone.

Super-torque V-8 power—Mercury's performance is as unique as its styling. Horsepower is up to 188 in all Customs and Montereys and 198 in the Montclairs. But more important is the new way Mercury puts this power to work for everyday driving. You enjoy far more usable power for lightning-quick getaways.

Special features at no extra cost—Eight of Mercury's eleven models offer dual exhausts as standard equipment. All models have 4-barrel carburetors, ball-joint suspension, and special high-compression spark plugs.

### HERE'S HOW YOU SAVE

1. You can get more for your present car. Our high allowances are based on high-volume sales.

2. Mercury's low prices present below 13 models in the low-price field\*.

3. You save on operating costs with Mercury's famous economy and low upkeep.

4. You protect future trade-in value. Mercury consistently leads its field for resale value.

\*Based on comparison of manufacturers' suggested list or factory retail prices.
