Local Men Elected To District Scout Offices

At the annual Ottawa District Boy Scout dinner and meeting held last Tuesday at the Novi Community Building, officers were elected for the coming year. Elected to posts from Farmington were: Verne Beals, troop 105, Ottawa District chairman; Harley Thornton, Post 111, Assistant District Commissioner for Scouting; and Chester Everts, assistant District Commissioner for Exploring.

Among those affiliated with Scouting here in attendance at the meeting with their wives were Russ Mastera, Verne Beals, Joe Tyson, Harley Thornton, and Chester Everts.

Mr. and Mrs. Fred Mathala, Jr. of Birmingham announce the birth of a daughter, Amy. The baby was born April 4 at Harper Hospital and weighed seven pounds three ounces. The Mathalas now have three girls and one boy. Mrs. Mathala is the former Betty AschenBrenner, daughter of Mary AschenBrenner of Power Road.

More than 10 per cent of the nation's output of finished steel is used in Detroit.

Good Acting, Able Direction Make Junior Class Play A Huge Success

The Junior Class play presentation "The Saturday Evening Ghost," presented last Thursday and Friday, was well received.

Gales of laughter and the rapt attention of the audience was held by the cast as they presented the play Thursday afternoon to the student body and again on Friday evening when the play was given for the community.

The cast of characters included Lord Canterville, a young English peer, and his 17th century ancestor, Sir Simon. Because of the plot of the story, both characters were played by the same person, Bruce Moore. As Lord Canterville he is serious, intelligent, with no hint of an English comedy drawl. As Sir Simon, the ghost, he is more humorous, likable, and at no time other than in the first act does he inspire fear. Moore did very well in playing both parts. The fact that he was a ghost as Sir Simon was quite obvious to all as he appeared in rags and his complexion was ghostly white and anemic looking.

Glenn Kelly, who portrayed Mr. Otis, an American manufacturer from Chicago, did a magnificent job of acting. He was at all times very businesslike, though amiable, clear and very audible.

Lucetta, who was portrayed by

Driving Contest To Test Student Drivers' Skill

The annual J. C. Rodeo, sponsored by the Junior Chamber of Commerce is held for the purpose of selecting the best student driver in Livonia. This year's Rodeo will be held on May 7 at 10 a.m. at the Detroit Race Track. These driving tests are skill tests, and speed is in no way connected with the selection of a winner. Cars will be furnished for the competition.

Qualifications for the Rodeo are:

1. A high score on a written exam.
2. Parental permission, which must be in writing.
3. Any person participating must be between the ages of 16 and 18.
4. No moving traffic violations in the past six months are allowed.

This year there will be 26 students from Clarenceville participating. In last year's Rodeo a C. H. S. student, Nathan Farrar, placed third in the city competition. The winner in city competition goes on to the state competition, and the winner of the state competition goes to Washington, D. C. for the national rodeo.

HEAR ABOUT JOB OPPORTUNITIES AT MICHIGAN BELL

Mrs. Aldrich, a representative from the employment office in Plymouth, gave a short talk and showed a movie to 25 Senior girls on Tuesday, April 19, at 2:30 a.m.

The movie which Mrs. Aldrich showed to the girls presented a preview of the various jobs available in the telephone company. Also stressed in the movie was the importance of a cheerful and pleasing personality in working with the public in any form.

Mrs. Aldrich stated that within metropolitan Detroit there would be many clerical and operating jobs open in the near future. However, the Farmington system, because of the switch in the near future to dial phones, will not need operators.

John Clappison Sells Insurance

It's WHERE you buy a used car that counts and You can DEPEND on FORD DEALER USED CARS and TRUCKS

It stands to reason a Dealer who can trust sells a used car you can trust.

We Ford Dealers are established businessmen. We don't depend upon used car profits to stay in business, and we can price our used cars at rock bottom. Actually it's good business for us to keep prices low. For we have to make room for a constant stream of trade-ins.

Band Concert Program Set

An annual spring concert will be presented by the Clarenceville Senior Band on Thursday, April 28, at 8:00 p.m. An excellent program has been selected for the concert, and one which everyone should enjoy.

The program will include: "The Footlifter March," Fillmore; "All Men Now Sing, Rejoice," Bach; "Dear, Joy of Man's Desiring," Bach; "Das Pensionat Overture," Von Suppe; and "Gaiety Polka," a trombone solo by Gerald Rogers.

Other selections will be "Night and Day," Porter; "Pavanna," Goetz; "The Billboard March," Klobner; "On The Trail," Grofe; "Overture Argentine," Buettel; and "Ballet Parisien," by Offenbach.

Sousa selections to be played will include "Pride of the Wolves," "The Fairest of the Fair," and "The Thunderer."

Hearing Testing Program Completed At High School

A hearing testing program was conducted April 26 through 28 for all students in the high school. The testing was conducted by a technician, Mrs. Paul Adams, who used special equipment.

The students were called from classes and study halls in groups of forty. The time required for the testing of each student was twenty minutes.

Gas Yield Increasing In Northville Field

The Northville, oil field may be turning into a natural gas pool. The main producing well, the LeMaster No. 1, has produced about 165,000 barrels of oil since its discovery in January, 1954, but recently has been producing more gas with each barrel of oil.

A public hearing is slated in Lansing this week to discuss changing restrictions so more gas can be produced.

It takes 100 pounds of milk to make 12.5 pounds of dry whole milk.
