# NEED FOR BLOOD IN COUNTY TO BE GREAT ALL SUMMER

Oakland County's blood pressure is down again. American Red Cross has announced that eight mobiles in lieu of the usual six must be scheduled each month.

The month of August, with the threat of a heavy accident toll on Labor Day week end, needs intensive recruitment.

The chapter's blood advisory committee met on April 21 to discuss ways of remedying the problem.

Oakland County needs about 700 pints of blood per month according to Mrs. Dalton Sifton of Birmingham, chairman of mobile recruitment.

All persons interested in blood donor recruitment are invited to attend a recruitment meeting May 24 at Redeemer Lutheran Church of Birmingham.

Pontiac General Hospital's pathologist, Dr. John Marra, will speak. Mrs. John Blanchard, chairman of the committee, has appointed Mrs. Sifton as chairman of the program for the day. She will be assisted by Mrs. Norman McQuater, Royal Oak, and Mrs. O. W. Koskinen of West Bloomfield.

**WATCH SPOILAGE**  
Spring picnic parties should remember to "keep food hot, or keep it cold, but never keep it nicely warm," the Michigan Department of Health urges. Spoilage of food begins, the health department said, as soon as the food "stands around."
