**Blakeslee Chevrolet Automobile Agency Purchased By Bill Root**

The Blakeslee Chevrolet automobile agency at 32715 Grand River was purchased last week by Bill Root, who officially took over the automobile dealership from former owner Vic Blakeslee on Wednesday, April 27.

Root, a resident of Oakland County since 1920, has had considerable automobile dealership experience in the Chevrolet line. Prior to purchasing the local dealership, he served as manager for Chevrolet agencies in Birmingham, Detroit, and Ecorse.

Married and the father of a 13 year old son, Root presently makes his home on "The White Road." He has stated intentions to move to Farmington as soon as possible.

In taking over operations at Blakeslee Chevrolet, Root pledged utmost efforts to supply the people of the Farmington area with all of their car needs. He stated that the service department will be fully equipped to handle all makes of cars and would be open daily until 5:30 p.m. except on Sunday. The show room will be open until 9 p.m., he added.

VIC BLAKESLEE

In selling the Chevrolet dealership, Blakeslee looks back on 23 years of continuous service to the community. He took over the agency here in 1934 in a building just east of where the Farmington River is now located. Chevrolet sales and service facilities were provided at that location until 1950 when he moved into a new building at the present site. Active in the community and in community affairs, Blakeslee is a past president of the Kiwanis Club. He served as chairman of the Charter Commission which set up Farmington's present charter, and was the first director of a Civil Defense program for this area.

The Blakeslees make their home at 32900 Macomb Street.

Can you see, steer, stop safely? ... Check your car ... check accidents

LOOKING FOR MORE VALUE from your motor car dollars? Then, look no more. Ford brings you a wealth of fine-car features that even some of the higher-priced cars can't match.

For example, the chart above shows that in feature after feature Ford gives you everything you have come to expect in a medium-priced car ... and more. Yet, a Ford Fairlane Town Sedan costs\* you less than the lowest-priced, comparably equipped 4-door sedan of four popular medium-priced makes.

And, with Ford recognized as the style leader ... "at home" wherever you may go ... why pay more?

Feature for feature ... price for price ... you can't buy better than Ford.
