# WHILE YOU SLEEP

TONIGHT, while you are fast asleep, they'll be unloading a truck-trailer at your favorite food store — carting in the refrigerated meat, fresh food vegetables and fruit, and all the other choice articles of food you'll find on display when you go marketing tomorrow morning.

Food stores want their customers to have a full selection of fresh merchandise every morning — so they call on trucks to stock their shelves and counters while you and most of Michigan sleep.

Without trucks, food stores just couldn't give the customer this sort of service. Without trucks — well, things just wouldn't be the same at all in any business and the people of Michigan just wouldn't be enjoying the modern comforts and conveniences they're enjoying today.

that "All scripture is given by inspiration of God." Either we must believe such a claim, or we must take the Bible to be a completely false record. Bible-believing Protestants, down through the ages, have put their complete trust in the Scriptures as God's message.

The entire Bible message is centered in Jesus Christ as the Son of God, and in the salvation which God has made possible through the death and resurrection of Christ. The Bible says: "Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved." (Acts 4:12)

A true understanding of the Bible message is the doorway to salvation. You may be interested in knowing more about the Bible and what it can mean to you. Many of your questions will be answered in a pamphlet which you may have FREE of charge by simply filling in and mailing the following:

These men made it their business to set down an accurate and reliable account of the events which figured in the founding of the Christian Church. Bible-believing Protestants have found that God directed in the writing of the Scriptures that the result is an accurate record of God's message to mankind.

The Bible itself claims to be from God. In Paul's second letter to Timothy we read
