ART CLASSES VIEW EXHIBITS AT DETROIT INSTITUTE OF ARTS

A trip to the Detroit Institute of Arts was taken by the Art II and III classes last Thursday, May 26.

The exhibit that the group saw at the Institute was from the Scandinavian countries. Mr. Glenn had previously shown his classes some slides on the Scandinavian countries, showing the landscape, house architecture, and pointing out their standard of living.

The exhibits were arranged in domestic fashion, such as a living room. The arrangements were done by Eric Harlow, one of the Scandinavian manufacturers.

Seven hundred pieces of glass china were shown, along with work done in silver, steel, fabrics, and wood.

The group also saw the annual student exhibition of the Art Department of Wayne University.

Student Council Representatives Receive Recognition Awards May 25

Awards were given to Student Council representatives at the newly organized Student Council Representative Recognition program held last Wednesday, May 25, in the Farmington High lobby.

Mr. James A. Geiger, assistant principal and Student Council advisor, gave a short resume of the activities of the Council during the past year and then presented the awards to the members.

Ninth graders Dick Kingsley, Carol Kinsman, Ken Nikkila, Ben Ridings, Cynthia Scully, Sigrid Whitehead, and Lois Leach all received certificates for one year of service on the Council.

Dale Golla, Richard Hoffman, Larry Lynch, Betty Lou Parks, and Dave Warriner, sophomores, also received certificates for one year's service.

Juniors Dave Cargill, Joanne Mitchell, Ronald Roberts, and Don Yordy were also given certificates.

Pat Kolan, a senior, was presented with a certificate for one year's service on the Council.

Awards were given to representatives who served on the Council for two years.

Those who received pins are: Jane Boyce, a sophomore; Juniors Jerry Flick and Elsie Kinsman; and seniors Carolyn Matteson, Jerry Rife, Jon Schultz, Bruce Shoopist, Dave Trombley, Vivian Auer, and Charles Unghar.

After the presentation, punch and cookies were served by members of the National Honor Society, Mary Lee Bryan, Sally Vy-

F.H.S. Journalists Receive Awards

The Blue and White held its annual awards program last Thursday, May 26, in the living room of the home ec department.

Highlights of the program were the presentation of Quill and Scroll pins, an address by Professor Field, and the announcement of the outstanding Journalism award.

After lunch Professor John V. Field of the U. of M. Journalism department gave a short talk on "The Importance of a Liberal Education for Journalists."

Professor Field said that he can not agree with those people who say, "This poor generation; they were born into this world and can do nothing about it."

Professor Field said, "Every time we make a decision it is, in some way, either great or small, going to affect our lives and the world; a liberal education helps one to make clear, well thought out choices."

After this address, Quill and Scroll pins were given to Mary Ellen Breen, Sylvia Gazley, Jerry Rice, Joanne Mitchell, Shirley Bunnell, Carol Matteson and Rudy Golla.

Special citations were given to a number of students for outstanding stories, written during the year.

Jon Schultz was awarded the outstanding Journalism student.

FRENCH, SPANISH PROJECTS DISPLAYED IN SCHOOL LOBBIES

Projects of the French and Spanish classes are in the display case in the east and west lobbies.

A complete Spanish dinner was served to the sixth hour Spanish class by Judy Cook, Mary Duffee, Angie Grace and Suelien Hymes.

The meal consisted of: Hot tamales, Bolivia salad, Haiti cake and Cuban punch. The meal was brought to the class by the mother of one of the girls.

The French project included French dolls, portraits of famous French leaders, maps of France, a model church and some drawings of French styles.

It is quite possible to be fond of a man who neglects his mother. Even his mother is often fond of him.

I could never think of a man's intellectual or moral character, if he was habitually unfaithful to his appointments.

GOVERNMENT DAY PLAN DEFERRED UNTIL NEXT FALL

The idea of a Student Government Day which was presented to the Student Council at the May 10 meeting by the Kiwanis Club was discussed further at the May 17 meeting.

It was decided that because the project has not been planned far enough in advance it would be wise to elect the members to city offices this spring.

The Student Council agreed that it would be better to hold the elections of candidates for next fall, between October 17 and 28 of next semester, the change day could possibly be the first week of November, and the election should be from the Senior class only.

If the ideas meet with the approval of the Clubs that are to sponsor this project, plans and details will be worked out next fall.

Why Protestants Go To Church

Protestants have never been compelled to attend church.

The true motive for church attendance is very different. The Bible says, "Serve with gladness; come before his presence with singing." (Psalm 100: 2)

In New Testament times after Christ ascended into heaven, the believers met together to study the Scriptures and to worship God. This was the beginning of the Christian Church. These early Christians recounted their blessings to one another. The Bible says that "they rehearsed all that God had done with them, and how he had opened the door of faith unto the Gentiles." (Acts 14: 27)

It is the same today. Across the nation there are thousands of groups of Bible-believing people who meet together week by week to study God's Word, the Bible.

It is in the Bible-centered church such as this that you will find the true teaching of the Gospel. In this friendly atmosphere you will be welcome. You will be aided in your understanding of the Bible, God's message to all mankind. It is here that you will find God's message of love: "Herein is love, not that we love God, but that he loved us, and sent his Son who was the propitiation (sacrifice) for our sins." (1 John 4: 10)

Bible-believing Christians are not compelled to attend church. They have a deep desire to know God, to study His Word and to serve Him. You are invited to join with them. Find a church where the Bible is given the place of supreme authority. It deserves, and where the message of salvation through Jesus Christ is clearly presented. You will find a welcome there.

Receive Survey Scholarships Here

George Nahon, a senior, has received a scholarship from the Michigan Road Builders' Association to help pay for an eight week course in surveying.

Don Sowers had previously received a similar scholarship.

Both boys will leave Ann Arbor June 17 on a train trip to Camp Davis, Jackson, Wyoming.

The course entails classes for one half of each day and field work the other half.

If a student passes this course with a C average or better he is eligible for immediate employment with the Michigan State Highway Department.

Camp Davis is located in the mountainous area near the Grand Canyon.

The University of Michigan which sponsors the program and runs the camp, has planned out-of-class activities including mountain climbing, swimming, baseball, and various evening activities.

About 50 boys from Michigan will go.

No pillar or post

for this wide-open beauty

It's the new kind of hardtop — **The 4-Door Riviera!**

There seems to be some confusion about what a hardtop really is, and we'd like to set the matter straight.

A hardtop is a car that looks like a Convertible with the top up—but has a solid steel roof overhead—and no center posts in the side window areas.

Up until just recently, it could be built in volume only with two doors—not more—because it would take wholly new structural principles to hinge another set of doors without floor-to-roof center posts.

But Buick came up with those new structural principles and is now building—in volume—hardtops with four doors.

You see one pictured here. It's the 4-Door Riviera. And it's taking the country by storm...

Because here, at long last, is an automobile with the sleek and sporty styling of a true hardtop—but with separate doors for rear-seat passengers, plus the added room of a full-size Buick Sedan.

On top of that, this beauty is all Buick—with the buoyant ride of Buick's all-coil springing—the wallowing might of Buick's record-high V8 power—the whip-quick getaway and sizable gas savings of Buick's spectacular Variable Pitch Dynaflow.

And it's available in Buick's two lowest-priced Series—the budget-tagged 188-hp SPECIAL, and the high-performance 236-hp CENTURY, illustrated here.

Come visit us for a first-hand meeting with the 4-Door Riviera—and see how quickly and how easily the last word in automobiles can be yours.

*Dynaflo Drive is standard on Roadmaster, optional extra cost on other Series.
