LEAVE FOR WYOMING TO TAKE COURSE IN CIVIL ENGINEERING

George J. Natho, 36720 West Twelve Mile Road, and Donald Sowers, 26605 North Farmington Road, left Ann Arbor on June 17 with 15 other June graduates of Michigan high schools for an eight-week course in civil engineering at the University of Michigan's summer camp at Jackson, Wyoming.

The graduates were selected through competitive Civil Service examinations and they will receive surveying training at Camp Davis. The students are eligible for work as highway engineering aides in the State Highway Department upon completion of the course.
