The Woodcreek Incorporation Committee held its third meeting on Monday, June 20, at the home of Fred Missal. Members of the committee are: president, Alvin Clark; Vera Fisher, Watson Kinney, Herman Dobson, Alex Kennedy, Richard Pellrath, Harold Lang, Pres Schlotterbeck, L. Taylor, and Fred Missal, chairman.

Invited guests were: Mr. and Mrs. L. Nelson, Mr. and Mrs. Ernest Blanchard (Mr. Blanchard is supervisor of Farmington Township), Mr. Harold Roeberry, president of the Council of Franklin Village, Mr. and Mrs. Louis L. Friedland (Mr. Friedland is associate professor of government at Wayne University).

The business of the committee is to secure information regarding the pros and cons of incorporation. A thorough study of other communities which have incorporated is being made. All the technical difficulties and possibilities are being carefully weighed against the possible advantages of incorporation.

The guests proved to be a very helpful and qualified information panel, who enlightened our committee on many angles. They pointed out more extensive studies and investigations will be made by the committee before they formulate their recommendations.
