DO YOU AGREE ----

That it sure will be nice when summer gets here and it warms up a bit? Don't answer that — but if you are sufferin' from the cold and don't want to start your furnace quite yet we have some awful nice pot roasts of beef for 35c a lb that you can cook in the oven. It would really be a lot easier than and lots less work to have a hot dog when they're just 49c a lb — or maybe a hamburger or three when three pounds cost a dollar or one pound costs 89c. There's always the old standby of bacon and tomato sandwich, too. To make it real tasty use our own hickory smoked bacon for 69c a lb. and some of that Vlasic butter for 59c a lb. Pretty near all that stuff calls for some cookin' so to get away from that a can of that Southern Star bonita is 19c and that'll gitcha by with a salad or a sandwich, but really that aint what we're supposed to eat, we're supposed to have hot stuff to keep up our zip so maybe that pot roast wasn't such a bad idea after all — or maybe a piece of round steak for 75c a lb. all dressed up like a swiss steak. You can git a couple No. 2 cans of tomatoes for 35c for the dressin' up part. Then we'll have fresh dressed fryin' chickens and stewin' chickens this week end. Somehow or other nothin' seems to click right in this ad, we could blame the weather agin, and we could blame it on the fact we are trying to do two days work in one, or it could be that we just aint thinkin' pretty good, couldn't it?

# MICHIGAN BOY WINS KEY CLUB ORATORY CONTEST

Gary Evans, 17 year old son of Mr. and Mrs. Joe H. Evans of 25860 Lahser Road, received a medal and a \$100 Savings Bond when he won first place in the Key Club National Oratorical Contest on July 5.

Gary, a student at Southfield High School and a private pupil in expression of Mrs. William Lancaster of 33104 Grand River, won the State Oratorical Contest of the Key Club, an auxiliary of the Kiwanis International.

At the Key Club National Convention held in Detroit on July 4 and 5, Gary placed among the top three in the oratorical elimination contest. Students were entered in the contest from each state and from Hawaii and Alaska. The final contest was held the morning of July 5, and at 9:00 p.m. Gary was announced first place winner in the national contest.

Gary was also recently elected secretary of the Michigan Key Club.

## City Zoning Study

(Continued from Page 1A)

In the discussion, members of the Council have expressed a desire to conclude the review of the ordinance as soon as possible so that future action can be taken toward the adoption of the proposal.

A series of hearings have already been held regarding the zoning map. However, there is a possibility that an additional hearing will be held following completion of the study of the zoning ordinance.

## Rambling Around Tween 9 And 10

Serving the Area Between Nine and Ten Mile From Tuck to Inkster Road Mrs. Lewis Libstaff Phone 1502-M

Mr. and Mrs. Edward Ignash and daughter, Sandra, of 29763 Linden held a dinner party Tuesday, June 25, honoring the birthday of Patricia, the protegee of Mr. and Mrs. Clifton Sage of 29742 Linden. Mr. and Mrs. Grover McKinney of San Souel were guests along with the Sages.

Mr. and Mrs. Schlenker and children, Kenneth and Beth, were week end guests of Mr. and Mrs. Ignash. Patricia is in her own grove with her friends was the holiday observance. Beth remained to visit with Sandra for the week.

Gerald Williams, son of Mr. and Mrs. Carl Williams of Middlebelt left Friday evening, July 1, for Eaton, Ohio, to spend the holiday.

## Auto Accidents

(Continued from Page 1A)

and Anna Chapman. All of the children in the car were under 12 years of age.

A three-car pile-up on US-16 west of Drake road shortly after 1 p.m. Sunday caused an equal number of personal injuries. The first of the three cars stopped for a line-up of traffic and was struck by a second car from behind, which was then struck by the third auto.

Injured were Ann Tarnopol, Detroit, neck and knee injuries; Stefie Petraszcuk, Detroit, bruises and leg cuts; and Dmytra Zarzewy, Detroit, chest injuries. Petraszcuk and Zarzewy were taken to Redford Receiving Hospital for treatment. Tarnopol was treated by her family physician.

Not more than two hours later and at nearly the same spot, a four-car pile-up of almost identical nature occurred. Injuries were suffered by Hazel Pfeiffer, 26. She was taken to Redford Receiving Hospital with lacerations about the head and face.

Margaret Berkley, 42, suffered lacerations about the eye in an accident on US-16 at Colwell at 12:30 a.m. Monday. The car she was driving collided with the side of Eldridge Tolbert's auto when he pulled into Grand River from Colwell Street. Tolbert resides in Livonia.

City Council (Continued from Page 1A)

upon completion and that no homes in the adjacent area can be occupied until this is done. The property owners also stated that the temporary drainage ditch along the south side of the subdivision has become clogged in places. The Council declared that the ditch which he kept open by the subdivider and agreed to check it.

## Suggest Rejection

(Continued from Page 1A)

Thompson-Brown to construct a shopping and community center on the site. Property has been offered for the erection of a Township office, church and school adjacent to the proposed shopping area. Both the Farmington Township School District, the Farmington Township Board and a number of churches have indicated an interest in the property. The City of Livonia is also considering some expansion in this immediate area.

Favorable action was given to a petition to rescine from Residential 1 to Residential H1 all of the Park Hill Subdivision located west of Orchard Lake Road and north of 12 Mile Road. There were no objections to the proposal.

After some discussion, the Board recommended the rezoning from Residential to Commercial of a strip of land 125 feet in depth and lying adjacent to and immediately east of Orchard Lake Road between Ford Street and Rayline Avenue. This area is just south of 14 Mile Road.

Other re-elected officers include: Mrs. Elizabeth Dowling, secretary; and Bayard Tupper, treasurer. The other two members of the Board are Parley Thomson and Douglas Hamill, Trustees. The officers will serve during the year beginning July 1, 1956, and continuing until June 30, 1956.

Mrs. Thomas McDonough and children, Patty and Mike, recently returned home from a week's visit with Mrs. McDonough's parents, Mr. and Mrs. Fred Pettiford, of Big Rapids.

# INKSTER MAN ASSUMES ROLE OF M. E. A. PRESIDENT

JOHN W. ENGLISH

John W. English, superintendent of schools of Inkster, assumed the presidency of the 43,000 member Michigan Education Association on July 1. He will serve the M. E. A., Michigan's largest professional organization, for a term of one year.

Active in M. E. A. affairs as president of the Flint Teachers' Club in 1940-42, and as a member of the Association's professional problems commission in recent years, English has risen steadily in the education profession. He began his career in Flint in 1936, where he taught junior and senior high school until 1945.

After accepting position as assistant principal of Old City Senior High School, Pennsylvania, for two years, he returned to the Flint Public Schools in 1945 as director of research, later becoming administrative assistant in charge of personnel. In 1954 he accepted an appointment as superintendent of the Inkster Public Schools.

English graduated from the Flint Central High School and Junior College and received his master's and doctor's degrees from the University of Michigan.

## State Heading For High Death Toll On Roads

If current trends continue, Michigan traffic deaths will exceed 2,000 this year as compared with 1,735 in 1954, an increase of 12 per cent. It would be the third time on record that this occurred.

The gloomy forecast is contained in the monthly traffic accident report compiled by the State Police. It shows that in May 157 persons were killed and 2,149 persons injured, an increase of 651, or 14 per cent, and accidents went up 979, or seven per cent.

It was the third consecutive month that deaths increased. The record for the first five months of this year is 691 persons killed, a gain of 11 per cent over the same period a year ago. 21,649 persons injured, an increase of five per cent, and 74,987 accidents, up one per cent.

Mileage traveled, the first four months of this year, the latest figures available, totaled 5.9 billion, an increase of nearly nine per cent over 5.2 billion during the same period in 1954. The death rate of 6.0 per 100 million miles of travel was up three per cent over 5.5.

## Summer Program

(Continued from Page 1A)

way of the Windsor Tunnel and a picnic lunch on Belle Isle.

This Friday, July 8, Piche said, the field trip will be to the Detroit Zoo. Parents should turn in registration blanks to playground supervisors on Thursday indicating whether or not their children will be making the trip, the director stated. This will provide a more accurate count of how many will be going to the Zoo so that plans can be made in advance to accommodate all.

A charge of ten cents will be made to pay for the train fare and other visits costing money to the Zoo. Parents are also asked to see that their children have lunches to take along with them. Buses will leave the playgrounds at 8:30 a.m. sharp.

Piche stated that he is well pleased with the program to date and urged the continued cooperation of parents in helping to make this summer's program the best yet. "We of the F. A. R. C. are doing our utmost to provide a well supervised and well-nourished program for the many youngsters taking part with the limited amount of funds and trained personnel available," Piche concluded.

# Plan Discussion

(Continued from Page 1A)

The Farmington Friends of the Library, will participate in the discussion. The Committee has recommended the construction of a new library building to be built on property located on the north side of Grand River several lots east of an extension of Wilmarth Street. The property is part of the Clinton Wilbur Estate, now held by the city, and is available to both Grand River and Shiawassee. It is proposed that the project be financed from funds available through the Wilbur and Ruth Corliss Estates as well as a general 1/2 mill tax levy.

## City Water Pumps

(Continued from Page 1A)

Tuesday and part of Wednesday. The Federal Flood Control Act, the condition resulted from moisture caused by humid air which entered the pump house through broken windows. The Manager added that repeated efforts have been made to keep windows in the building, but they are continually broken out by vandals.

# Ratsky To Chair Fraternity Convention

Norbert Ratsky, Assistant Farmington City Manager, will serve as chairman of the 7th Annual Convention of Kappa Sigma Kappa International Fraternity, to be held August 18 through 23 at St. Louis, Missouri.

Chapters of the Fraternity are located in various technical schools throughout the United States and foreign countries. Ratsky is a graduate of Lawrence Institute of Technology in Detroit.

## ENGAGED

Mr. and Mrs. Elmer Aho of 29765 Edgell announce the engagement of their daughter, Carol Aho, to Richard T. Tyler, son of Mr. and Mrs. Eliot Tyler of 23069 Violet.

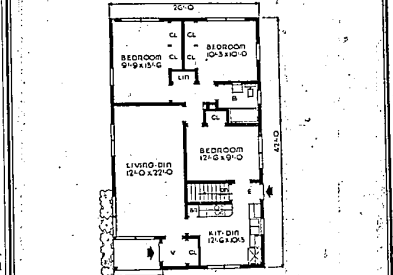

Miss Aho is a 1954 graduate of Farmington High School and is now employed at the Ford Motor Company. Mr. Tyler, a 1953 graduate of Farmington High School, attends Heidelberg College in Tiffin, Ohio.

An August 20 wedding is planned.
