

FOREST FIRES

Several serious fires in the Newberry district killed the state's forest fire loss last week to 4450 acres for the year.

Forty-one fires burned 949 acres during the week.

**GOODWILL TRUCKS
SCHEDULE PICK-UP
FOR AUGUST 8**

Persons wishing to contribute household discards to help the handicapped, employees at Goodwill Industries are asked by Miss Lora Ault, local telephone representative, to be certain that it is the Goodwill truck which makes the pick-up. "All Goodwill trucks are a bright red color with the name of the organization painted in large white letters on the side," Miss Ault said.

Since Goodwill trucks do not make door to door solicitations, the drivers stop only at homes where a request has been made in advance to Miss Ault. Persons who do not expect to be home when the pick-up is made may leave their discards near their rear door. Items to be taken should be plainly marked for Goodwill Industries.

The next regularly scheduled pick-up by the Goodwill trucks in Farmington and Franklin Villages will be on Monday, August 8. Any one with clothing, shoes, toys, small appliances and other household articles to be contributed may arrange for a pick-up by calling Miss Ault at Farmington 1461-M.

Household discards are used by Goodwill Industries to provide jobs and training for 400 physically handicapped men and women in the Detroit Goodwill work shops.
