Dr. Evans is minister-at-large of the Board of National Missions of the Presbyterian Church in the United States, a new position created for bringing the message to groups in government, education, colleges and universities, armed forces, law conventions of industry and labor, radio and TV broadcasting, etc.

Life Magazine described him as "a man whose energy seems inexhaustible and whose sermons are full of well thought out Christian doctrine and plain speaking."

Tau Kappa Alpha, national college honor society in speech, selected Dr. Evans as recipient of its National Award as "Speaker of the year 1951 in the Field of Religion."

News Week chose him as one of America's ten leading clergymen, and Christian Century Magazine lately chose the Hollywood Presbyterian Church, where Dr. Evans held tenure for twelve years, as one of the twelve outstanding churches of America.

At present Dr. Evans is summer supply at the National Presbyterian Church in Washington, D. C., among whose members are President and Mrs. Eisenhower, Mr. and Mrs. John Foster Dulles and many other Cabinet and Congressional figures. He has held this post since 1953.

### Local Artist Has Series Of Paintings Shown At State Architects' Meeting

A series of paintings entitled "Adventures in Time," created by Marvin Beerbohn of 23201 Gillman Road, Clarenceville, was shown and well received at a meeting of the Michigan Society of Architects, a part of the American Institute of Architects, held at Mackinac Island August 3, 4 and 5.

The series of 12 paintings, done in full color, illustrates epochs in the rise of Man from a savage 500,000 years ago up to his present attainment. The paintings were done in cooperation with Dr. George Lechler, Wayne University scientist, who supplied the material from which Mr. Beerbohn created his illustrations.

The paintings were done for the Harlan Electric Company of Detroit, and used in a series of advertisements by the company. The paintings are now housed at the electric company building as the property of C. Allen Harlan, Mr. Beerbohn, who was born in Canada, moved to the Detroit area at an early age and has lived here ever since. He has been a painter, designer, fine artist and muralist nearly all his life. Murals of exceptional note, which he has done, may be seen at the Harlan Electric Company, Detroit Public Library Technology Building, and the Jewish War Veterans Memorial Building.
