DISGUSTIN' -- ISN'T IT ???

Vacations are all over and we're back at the old stand agin. Well—not quite all of us cause Jon leaves this week to go away to college and we'll have a new young feller around here by the name of Bob—spelled with just one "o". Regardless of how long we took off when we asked fer stuff from the meat guys what do you suppose they came up with? You guessed it—that derned old Vlasic butter agin fer 59c'a b. Then they gave me pot roasts. fer 39c a lb. and ground beef 3 lbs. fer \$1.00. Now wouldn'tcha think in a month's time they could come up with somethin' different? On our side we sortta thought with gardens and everything you might be needin' some fruit jars. We have a fair supply on hand and Monday we'll have all kinds here. We've got a lot of jelly glasses, too. If it's peaches yer fixin' or freezin' we have that ascorbic acid that keeps them from turnin' dark. With school startin' you'll probably be doin' more bakin' so this week we'll have a 25 lb. bag of Gold Medal flour fer \$2.09. You'll probably be back on a good breakfast routine agin so fer juice there's a 46 oz. can of Defiance tomato fer 25c and our own pork sausage fer 39c a lb. to go with a pancake. When the small fry is all on it's way then you can settle back fer another cup of coffee. It's Maxwell, Hills, Chase & Sanborn or Defiance fer 89c a lb. If yuh don't wanna drink alone bring the pot and come on down—we're always glad to stop fer coffee. OK fer that?? Vacations are all over and we're back at the old stand agin. Well
