

Middlebelt P.T.A. Plans First Meeting October 3

The Middlebelt P. T. A. will hold its first meeting of the year Monday, October 3, at 8 p.m. at the usual meeting place in the Middlebelt School.

Teachers at the school will be introduced to parents at the meeting. Invitations have been extended to members of the Middlebelt Board of Education, Superintendent of Schools, and teachers at the special education unit at the new Eagle School on Fourteen Mile Road.

Future meetings of the group will be held on the first Monday of each month throughout the school year.

Mystery Poison Kills Deer In North Woods

A mysterious poison has been killing deer in northern Michigan forests.

Conservation Department biologists suspect the poison is contained in wildling cherry leaves. As fall approaches, cherry leaves under proper circumstances can be highly toxic. But as yet there is no certainty this is the cause and laboratory tests are continuing.

Game workers have recently checked 20 animals in the southeastern Manistee County area, good indication the loss has been fairly sizeable, at least in that area.

The low-flying airplane on Wednesday morning sure caused a lot of excitement around here. Everyone rushed outside to see what it was all about. The rumors flew fast, everyone seemed to have different tales of what they were flying so low. But the real reason, according to the police, was that he was spraying those little Japanese beetles.

Kit Barnes, son of Mr. and Mrs. Ralph Barnes of Oxford Street, was hit by a car Thursday evening while riding his motor bike on near Grand River and Collingham. Kit was taken to Redford Receiving Hospital. It was disclosed that he received a broken collar bone, leg and other injuries. He was discharged from the hospital on Monday. However, he will not be able to go back to school for about two months. So how about it, my column readers, let's all send Kit a card and cheer him up. His address is 21801 Oxford.
