YOUR PARTNER IN SAFETY!

Here, from your partner in safety — the truck driver — are some friendly suggestions for furthering safe driving on our highways. If everybody cooperates, we'll all enjoy happier, safer driving.

1. Be sure your car is in good operating condition at all times.
2. Obey all traffic laws.
3. In planning a trip, don't schedule more miles per day than you can comfortably and safely drive.
4. On long drives, stop now and then to rest and relax.
5. Never pass on a hill.
6. Courtesy and patience are two very necessary ingredients of safe driving.
7. Don't follow too closely the car ahead of you.
8. Accident statistics continue to rate speed as the number one cause of automobile accidents — so keep it down.

Tamm, Staman Wed October 8

At an evening ceremony at the Salem Evangelical and Reformed Church on October 8, nuptial vows were exchanged by Viola Mae Tamm of 38396 Thirteen Mile Road and Matthew P. Staman of 26850 Wixom Road, Novi.

The double-ring ceremony was officiated by Reverend Carl H. Schultz before an altar decorated with baskets of white mums and gladioli, palms and candles.

Musical numbers were played by Mrs. Paul Nixon. She also sang "The Lord's Prayer," "Through the Years," "O Perfect Love" and "I Love Thee."

The bride was lovely in her gown of lace over satin, designed to form a short train. The skirt was inset with side panels of pleated net and the neckline of the dress was trimmed with illusion. A tiara of rhinestones, sequins and seed pearls held a fingertip veil in place. She carried a bouquet of stephanotis, mums and ivy.

Matron of honor was the bride's sister, Mrs. Edward Lasich. She wore a ballerina length gown of raspberry crystal and carried a bouquet of red roses and pom-poms. Bridesmaids were Kathryn Gardner of Farmington, who wore a golden bronze gown, and Louise Duguet of Redford, in an emerald green gown. The bridesmaids' gowns were styled similar to that of the maid of honor. Both carried bouquets of yellow roses and non-poms.

Best man was Nelson Profit of Novi. James Hill of Farmington and Herbert Profit of Brighton served as ushers.

Melodee Sue Tolman, niece of the bride, was flower girl. Richard Tolman, the bride's nephew, served as ring bearer.

Following the church ceremony a reception was held at the Staman home. Coffee, punch, ice cream and cake were served. The wedding cake was made by Mrs. Mildred Drury, neighbor of the bride's mother. Serving were the bride's three sisters, Mrs. James Tolman, Mrs. Richard Bowers and Mrs. Jack Lasich. Kathryn Gardner presided at the guest register.

The bride chose a grey suit with apple green accessories and a corsage from her bouquet for going away. The couple honeymooned in Cheboygan, Michigan, and are now making their home with the groom's parents.

Both the bride and groom are 1954 graduates of Farmington High School. Mr. Staman operates a service station in Novi and his bride is employed by Novi Township.

Price lists and order blanks for forest trees from the MSU conservation nursery are now available at county extension offices, soil conservation district offices, or Michigan State University at East Lansing.

RURAL MAIL BOXES MAY BE USED ONLY FOR MAIL

Farmington residents are again reminded by Postmaster Henry Trombley that mail boxes are to be used only for the receiving and disbursement of mail and for no other purpose.

Newspaper packages not for mailing and other items should not be placed in the boxes, Trombley asserted.

"Most older residents are aware of this regulation," the Postmaster stated, "but some newcomers to the area who have never used rural mail boxes before may not be."

Volunteers will call on every home in the area between now and the close of the annual campaign on November 15. The quota for the combined United Fund and Community Chest Campaign in the Farmington area this year has been set at \$27,326.34.

When volunteers call at the home, residents are asked by campaign officials to give them a friendly audience and to contribute what they can to the drive. "Remember," Campaign Chairman Omar Sanderson concluded, "these volunteers, as well as the captains and coordinators, are generously giving their time and, in many cases, neglecting their own personal obligations for our community betterment; treat them accordingly."

PLYWOOD CORES

Hardwood plywood is available in two kinds of cores. Lumber core is generally used on projects involving work on the plywood edges — dovels, mortising, edge hinges. Veneer core is used where edges are not a factor, as in the case of wall paneling.

CONVERTING a barn into a church is a big undertaking but is a job which can be done if plenty of hard work is expended. Members of the First Presbyterian Church of Farmington are proving this at the site of their new church and rectory at 25735 Farmington Road, just north of Eleven Mile Road. Ladies from the church can be seen in the photo above decorating a nuptial at the altar. They are, left to right, Mrs. Tula Goss, Mrs. Hilda Niven, Mrs. Pat Wood, Mrs. Barbara Geiger and Mrs. Lorene Hammill.
