Mr. and Mrs. Elmer Klebba, 23186 Violet, are among 66 Michigan businessmen and their wives who will leave Saturday, October 29, from the Detroit Wayne Major Airport for St. Thomas in the Virgin Islands via a chartered Pan American World Airways Clipper, for a nine-day expense-paid vacation.

All men are winners in a sales contest for dealers sponsored by the Detroit district of General Electric Supply Company. The contest, extending from June through August, was for outstanding sales of refrigerators, ranges, washers, dryers, television sets and other appliances.

The Michigan group will stay at the Virgin Isle Hotel, one of the newest and most modern in the Caribbean area. A program of deep sea fishing, golfing, tennis, sightseeing, parties and gala evenings has been scheduled.

The highest scorers on these tests will be qualified to take another test in January.

A scholarship ranging from \$100 to full expenses will be awarded to the highest scorers in the final test.

The scholarship will depend on the student's personal needs.

The seven students who are eligible for the tests are: Russ Desnick, Nick Spicer, Mary Vetter, Alice Langford, Dave Cargill, Diane Franjav, and Alice Annette.

The National Merit Scholarship Award was set up this summer by the Ford, Carnegie, and Sears Foundations, and Time, Inc.

# Senior Trip Club Officers Picked

Officers for the 1955-56 Senior Trip Club are: president, Dave Cargill; vice-president, Elsie Kinsman; treasurer, Bill Fulton; secretary, Lois Ayres.

In order that this year's Seniors may have a trip, one-third or 43 members of the Senior Class must participate.

Four days, including one school day, will be allowed. This leaves out all lake cruises because of time limits.

Mr. Camber of the Boersma Company talked to F.H.S. seniors interested in a trip on October 19. Washington and New York were the two trips discussed. Prices were \$37.84 to Washington, all expenses included. New York, with a visit to Niagara Falls, is \$59.58.

A Phillips Tours representative gave a talk on October 24.

A vote of the Senior Class will be taken soon.

# DEBATE TEAM TAKING PART IN PRACTICE SESSIONS

The 1955-56 debate season got under way Saturday, October 22, with the Farmington and Southfield debate teams making a trip to the University of Michigan campus to hear lectures and see demonstration by the professors and college students.

Several practice debates have been held to date. The squad attended the Teachers' Institute at Pontiac High School and saw a demonstration on this year's topic, "Federal Aid to College Students."

Mr. Lloyd Smith, debate coach, states, "Fifteen students have turned out for debate so far. We have several veterans returning, including Nick Spicer, Dan Bunn, et. Roberta Spaller, seniors, and Barbara Place, Nancy Hodgins and Dennis Coffman, juniors."

"The team shows a great deal of enthusiasm and vigor and looks forward to a good season," he said.

The debaters have arranged several more practice debates before the regular season, which starts sometime after Thanksgiving.

Not long ago a hush-hush, camouflaged '56 Chevrolet scorched the nerve-breaking road up Colorado's Pikes Peak for a new record—the first time that old King of the Mountains has seen a new official stock car record in years! And what a road! Nearly 12½ miles of loose dirt with 170 chilling turns and no guardrail between you and the great outdoors! The NASCAR® people did the official timing, supervision and certification. The first and only time a new model ever proved itself. And every body car before its introduction! And every body knows that safety on the road begins with top performance. With cars that can zip, stop, corner and run. That kind of performance makes driving safer—and more fun. So don't do a thing about a new car until you see the car that beat the King of the Mountains!
