Announcement has been received here of the marriage on November 5 of Coast Guardsman Wayne M. Ault and Miss Helen Davine.

The groom, the only son of Mr. and Mrs. Clinton Ault of Mayfield Avenue, was born and reared in this community and graduated from Farmington High School. He served in World War II, was overseas for a time, and is now making a career with the U. S. Coast Guard. He is stationed at Cape May, New Jersey.

The bride's parents reside in Blairsville, Pennsylvania. The wedding was a small affair with a Navy pastor officiating in a little Methodist Church near the Cape May house. The couple are living a short distance from Cape May.

Within a few weeks the newlyweds hope to enjoy a short visit with Wayne's parents here.

A celebration honoring the thirty-fifth wedding anniversary of Mr. and Mrs. Stanley Chavey was held at the Chavey home on Mayfield Avenue Sunday afternoon, November 6. Members of the couple's family arranged the affair. Only relatives and a few close friends, about forty, were present. Refreshments were served and numerous gifts were tendered the honored pair.

Mr. and Mrs. Joe Roberts of Mayfield Avenue were guests on Saturday, November 5, of their daughter, Mrs. Edward Koehnek, and her family at Inkster. Mrs. Koehnek had arranged a dinner party honoring her mother's birthday.

Sunday afternoon, November 6, Mr. and Mrs. Roberts were guests of Vyril Bohlinger at Loon Lake.

Wednesday evening, at their home on Shadyside Avenue, Mr. and Mrs. Ralph Voorheis gave a dinner party at which the latter's sisters, with their husbands, were guests. Included were Mr. and Mrs. Albert Owen of Mayfield Avenue, Mr. and Mrs. A. O. Ault of Brentwood Avenue, and Mr. and Mrs. Norman Gedig from Detroit.

Guests of Mr. and Mrs. Forrest Ault of Hubbard Avenue on Sunday, November 6, were Mrs. Ault's father, Robert Updgrove, from Flint; her brother, Keith Updgrove, with his wife and two children, also from Flint; Mrs. Jessie Wood of Inkster; and Mrs. Ault's sister, Mrs. Tom Roberts, with her husband and three daughters of Monroe. A Sunday evening supper was served.

Neighborhood Sunshine Sisters held their regular meeting in the Neighborhood Church last Wednesday afternoon. During the devotional service the Scriptural stories of the distribution of manna and the feeding of the five thousand were featured.

Afterwards the ladies present sat and discussed their favorite methods of pinching pennies. Some interesting conclusions were made. All agreed that while a knowledge of sewing and mending was an advantage, it was usually cheaper, in the long run, to purchase ready-made clothing than to make them up home. In the matter of food, all were of the opinion that only with the greatest care and planning could one cut food costs without at the same time cutting down on nutrition, and thus bring on the expense of doctors and medicine. It was also shown that many so-called "cheap meals" involve so

much use of electricity and so much cleaning up and dish washing time that they are not actually cheap. It was pointed out that in those days a housewife's time is often so valuable that she cannot afford to use recipes requiring much time in preparation and must often resort to short cuts.

According to their annual custom, the Sunshine Sisters will hold their Thanksgiving meeting at the home of Mrs. George Welsh on Mayfield Avenue Wednesday, November 23. Mrs. Welsh is a shut-in. The meeting will take the form of noon-hour pot luck luncheon. "Thankfulness" will be the topic for discussion.

Mr. and Mrs. Wilfred Blackney of Hubbard Avenue are spending a week at the home of their married daughter in Detroit.

Louis Jennings and his son, Arnold, of Norfolk Avenue, enjoyed a hunting trip into northern Michigan last week end.

Mr. and Mrs. Stanley Chavey of Mayfield Avenue left Friday for a hunting vacation in northern Michigan.

Al Hardy of Garden City was visiting his mother, Mrs. Christine Rehahn, on Mayfield Avenue last Tuesday. Mrs. Rehahn, who has been ill with pneumonia, is considerably improved.

Herman Schult, from Ellwood, Indiana, spent last week end visiting among his children in this vicinity.

Mr. and Mrs. Henry Goney have moved from Northville to rooms in the Rehahn house on Mayfield Avenue.

The Youth Fellowship Group of the Livonia Methodist Church conducted a successful paper drive Saturday, November 5.

The Neighborhood Bible School will conduct a special Thanksgiving service at 11 a.m. Sunday, November 20.

Mr. and Mrs. Frank Smith of Eight Mile Road are new grandparents. A son was born recently to Mr. and Mrs. Wesley Smith of Farmington.

Miss Joanne McVicar of Shadyside Avenue has been convalescing from a tonsil operation.

Conservation Department Reports Good Bird Take

Duck and goose hunting prospects in the immediate future look good at the midway point in Michigan's 70-day season.

The total kill of 4,895 ducks and geese to date at Pointe Mouillee already has exceeded the total bag for the entire 1954 season at that game area.

Between 8,000 and 10,000 geese were reported in the Swan Creek

Fennville area with good kills all last week.

Some 600 geese have been bagged at Swan Creek this season, including a single day kill of 124 last week. The total is about even with the kill at this date last year.

Goose hunting at Fennville is slightly poorer than last year, but well above the 1953 level. Some 1,262 geese have been bagged.

Upon its completion in 1957, the Mackinac Straits Bridge connecting Michigan's Upper and Lower Peninsulas will be the longest suspension span anywhere in the world.

Have You Ever Been Left Holding The Bag?

- It is a pretty embarrassing experience to say the least, but it does happen to all of us at one time or another.
- You may have even come to The Enterprise some time with a good news story about your family, your club or neighborhood organization and found that there was no space left. Fortunately this doesn't happen very often, but when it does it is as embarrassing for us as it is for you. We want the news items you have to offer and we are publishing them in ever-increasing numbers.
- However, the publishing of a weekly newspaper is a detailed and time-consuming operation. The preparing and processing of news stories about your home community is a continuous program. The publishing of a weekly newspaper is also a business with payrolls to meet, materials to purchase and services to render. That's why copy deadlines are necessary and why advertising support is essential. A newspaper can run only as many pages as its advertising revenue will allow. Thus there is a direct connection between advertising support and the degree of service which can be rendered by your home community newspaper.
- The Enterprise has been extremely pleased with the increased requests by individuals and organizations for news space. We have also been very gratified by the tremendous boost in paid circulation which The Enterprise has experienced during the past year. These are important symbols of value to any advertiser. We urge that you support your hometown merchants and encourage them to advertise where Farmington people meet... in the columns of
