Magazine Drive Assembly Held

Mr. Edward Kane of the Curtis Publishing Company conducted a "kick-off" assembly last week for the Clarenceville High School magazine drive.

The goal of this year's drive will be to raise funds for the down payment on a public address system for the school building and a two-way communication system for all rooms in the building. The plan is to obtain an AM-FM radio to any or all rooms in the school and a three-speed record player. The system would be used immediately for piping music into the cafeteria and broadcasting facilities for speech class and the Student Council.

Mr. Kane explained how the prizes for sales would be awarded and how to make sales. The prizes include a record player, a clock radio, Samsonite luggage, a cashmere sweater, and an archery set. Room prizes will also be awarded for those reaching the highest percentage of their quota. For students who make at least a one-dollar sale, a full-length motorcycle will be shown at the school sometime during the campaign.

Recent visitors at the Tuck Road home of Mr. and Mrs. James Smith were Mr. and Mrs. Lawrence Bade and their sons from Capac, Michigan.

League Football Trophy Awarded

A football honors assembly was held at Clarenceville High School on November 11. Edward Hintz, head coach of Clarkston High School, presented the League football trophy. Mr. Fanni accepted the trophy on behalf of the team.

The program opened with comments from Mr. Louis Schmidt, superintendent. The cheerleaders led the student body in the cheer "Yea, Team!" and the band played a selection.

Remarks were made by Mr. Millard, Mr. Rickett, and Mr. Tanni. John Lewis introduced next year's co-captains, Dale Devitt and David Hamford.

The assembly was closed with the singing of the school song. Mr. Harding, assistant football coach, acted as master of ceremonies for the program.

An open house will be held at the Clarenceville High School on Tuesday, November 22, from 7:30 to 9 p.m. All parents of Junior and Senior High School students are invited to attend and meet their youngsters' teachers.

Staff members will be in the various classrooms to discuss the various subjects being taught at the school and to discuss questions relating to individual students.

CHS COUNSELORS ATTEND STATE CONFERENCE

Mrs. Winifred Mummy and Mrs. Mary Lavers, counselors at Clarenceville High School, recently attended the State Conference of Counselors sponsored by the Michigan Counselor Association at Michigan State University at East Lansing.

Dr. Ruth Strong, professor of education from Columbia University, prominent in the counseling field, conducted the general session on "The Exceptional Child." Especially under discussion were the ways in which counselors and teachers can be helpful in dealing with both the gifted child and the under-achiever.

In the afternoon, counselors met in assigned workshop groups and a discussion of the exceptional child took place under the guidance of a college resource person within each group.

PRINCIPAL MILLER TALKS WITH FORMER C.H.S. STUDENTS

Mr. Max Miller, Clarenceville High School principal, attended the Principal - Freshman Conference at the University of Michigan on November 10.

The purpose of the conference was to enable principals to talk with last year's seniors to see how they are doing in their first year at the university. Sharon Moreland, Karen Russell and Joseph Mitchell, three freshmen at the University, attended the conference and talked with Mr. Miller.

After the conference the principals were guests at a luncheon meeting in which problems in terms of the freshmen and the university were discussed.

On December 13, the three seniors will talk to this year's senior class, telling of their experiences at the University and will answer questions about their freshman year.

MEAT STUDY

University of California researchers are seeking the answer to why one piece of meat is tough and another one tender. Investigating the heredity factor as a starting point, they've already begun the study of chickens. Mutton and beef animals are also slated for study under the program, designed to improve meat quality by changes in breeding or feeding of livestock and poultry.

Seniors To Give Class Play Nov. 18

The seniors of Clarenceville High School will present their class play on November 18. The play will be "The Curious Savage" by John Patrick.

Playing the role of Mrs. Ethel Savage is Sharon Byrnes. Mrs. Savage is a widow who has set up a memorial fund in order that people can do all of the foolish things they have always wanted to do. Her step-children; Titus, played by Glenn Kelly; Samuel, played by Tom Jourdan; and Lily, played by Mary Lou Pudvan, object to her project.

Mrs. Savage is placed in a private institution called "The Cloisters." At the Cloisters she lives with an unusual group of people. They aren't "lunatics," yet they are humorous, and even charming. "The whole point of the play," according to the author, "is to contrast them with Mrs. Savage's children and the insane outside world." The guests of The Cloisters are: Florence, portrayed by Betty Geary; Hannibal, played by Max Ashmore; Fairy May, by Roberta Barnes; Jeff, by Charles Meyer; and Mrs. Paddy, by Barbara Schmitt.

The members of the staff at The Cloisters are Miss Willie, played by Donna Hanaford; and Dr. Emmett, by Bruce Moreau.

Mary Shufflett is student director; Roger Rapajic is stage manager; and Miss Anderson is the director. Co-business managers are Sue Whitefield and Don Warner.
