The only people who never fail are those who never try.

EVERYTHING YOU DO!

FROM THE MOMENT you awaken until you go to bed, almost everything you do is closely dependent upon the operation of trucks. In fact, even while you're asleep, trucks are working for you. (Beds arrive by truck, too, of course.)

Without trucks, your favorite food market would have empty shelves. Without trucks, you wouldn't find gas stations located conveniently almost everywhere you turn. Without trucks, the building of new homes, factories, and stores would slow to a walk and business of all kinds everywhere would suffer.

Sooner or later, everything you eat, wear, or use depends on trucks for transportation. Eventually, everything has to get to you — the consumer. So, when you consider that trucks haul three times the tonnage handled by all the other forms of transportation combined, you realize how very important they are to you!

Christmas Fair Planned At Our Lady Of Sorrows

The Altar Society of Our Lady of Sorrows Church, Farmington, is planning its first Christmas Fair. The Fair will open on November 25 at 8:00 p.m., and on November 26 and 27 at 12 noon.

The Fair will be held in the Parish school. Proceeds from the project will go to the building fund for the new high school.

Various booths will offer fancy work, stuffed animals, dolls and toys, jams and jellies, home baked goods, religious articles and many other items. There will also be a Girl Scout booth, a snack bar and a booth sponsored by the Parish Credit Union.

General chairman of the Fair is Mrs. Mel Stevens. Chairmen of the various booths include Mesdames Charles Audette, Joseph Chaisson, Thomas Garvey, Lamar King, John Koscielniak, Victor Lespres, Romeo LaMieux, Donald Mackinnon, John Petersmark, Leo Blattert, Sylvester Pheneay and Miss Joan Blue.

Michigan produces nearly half of all the timber marketed in the Great Lakes states.

Local Baptist Women Entertain Detroit Group At Pot-Luck Dinner

Over 100 ladies met Thursday evening, November 10, at the First Baptist Church of Farmington when the local Women's Mission Society entertained guests from the Livernois Avenue Baptist Church of Detroit.

The evening of fellowship was highlighted by a pot-luck dinner of chicken pot pie, salads, potato chips, hot rolls, apple crisp and pie, and beverages. The meal was served by the Dorcas High School Girls' Circle under the supervision of Mrs. Charles Murphy, social chairman of the society. Mrs. Joseph Capo, assisted by Mrs. Elmer Gately, arranged the gayly decorated tables in holiday mood.

Upon adjournment to the sanctuary, the program of the evening included a welcome to the guests

BETTER TV

National Association of Television Producers is drawing up a code of ethics to assure that the "viewing public" receives the "proper type of shows," according to a spokesman for the organization.

Girl Scout Troop 174 Visits Greenfield Village

Girl Scout Troop 174 from Middlebelt School spent the week end of November 4 at Greenfield Village.

They stayed at the lodge in the Village, where their meals were served and gymnasium facilities were made available. While there they toured the museum and village.

The girls were accompanied by their leader, Mrs. Santo, and her assistant, Mrs. Hammond.

The troop is now sanding and painting blocks for Children's Hospital as a part of their community project.

Along The Creek In Woodcreek

Mr. Arthur Busch of 28705 Millbrook Road was elected treasurer of the Eagle School Parent Teachers Association. A number of parents from this area attended the November meeting held at the new elementary school on Fourteen Mile Road.

The children of Woodcreek are very grateful for the contributions which were recently given to them for the UNICEF. This was a project of the children of Franklin Community Church to send money to feed United Nations children.

State Police Recruit Team To Seek Applicants

A Michigan State Police recruiting team will visit Detroit on November 14 to interview applicants in connection with the additional troopers authorized by a special session of the legislature earlier this month.

The team will be located at the Michigan State Police Post at Seven Mile and Grand River 24 hours a day. Its members will be Sgt. Henry P. Kozowicz and Cpl. Robert Biggen of the Detroit Post.

Of particular interest to young men is a new salary increase approved by the State Civil Service Commission. Training school pay has been raised to equal that received the first year by a full-fledged trooper and there is also a general increase covering all grades.

The range is \$151 every two weeks, beginning with training school, up to a maximum of \$192 in the trooper ranks. Likewise, the maximum is attained at the end of four years, or a year less than formerly. In the past, training school pay has been \$116.

In addition to salaries, troopers receive approximately \$75 a month for subsistence. They also are given their uniforms and traveling expenses and two paid vacations a year.

To be eligible, a candidate must be between 21 and 29 years of age, inclusive, not less than five feet nine inches in height and in good physical condition. He must be of good character and have a high school education or its equivalent. Married as well as single men are accepted.

"The visit of the recruiting team has been especially arranged so that young men may learn at first hand what a real opportunity this is to join a career service," said Sgt. Henry P. Kozowicz, commander of the Detroit Post. "They may also inquire at any State Police Post or talk to any State Police officer, but the recruiting team visit is for their convenience," Sgt. Kozowicz related.

Applications must be in by November 30. If sent by mail to the Civil Service Commission in Lansing and postmarked by midnight of that date, they will still be accepted.

The recruits will be trained and put into service as quickly as possible. The legislature authorized State Police manpower to combat the highway accident rate through increased traffic law enforcement.

Usually the man who inherits a barrel of money starts right out to whoop it up.

Mrs. Thomas Shubel of Williamson, near Lansing, is recuperating at her home from surgery. Mrs. Shubel is the former Patricia Wheeler, daughter of the Richard Wheelers of Westbrook. Grandmother Dorothy spent many days caring for the Shubel baby.

Mr. and Mrs. P. G. Schlotterbeck have taken some trips, both business and pleasure, recently. In October, they spent a long week end in Chicago. In early November they spent a week in New York City. Prescott attended a course on improved business management at the American Management Association. Jo had a wonderful time seeing New York City for the first time. She rode the subway, visited many shops on Fifth Avenue, and went to Long Island via train to see relatives. They enjoyed the dinners at many places, including "Sarad's".

Mr. and Mrs. William Weightman joined the Schlotterbecks at drive to obtain 200 additional troopers authorized by a special session of the legislature earlier this month.

The Vermont Fishers were hosts on Sunday, November 13, to the Adult Discussion Group of the Franklin Community Church.

Jewel Tippett was hostess to the work meeting for planning cancer pads on Tuesday, November 15. Present were Vera Blanchfield, chairman, and Ruth Eynon, Frances Richards, Mary Tyghen and Muriel Trippensee. More white material is needed for future cancer pads. Persons are asked to turn it in to the Women's Association.

A committee headed by Vera Norwall met on Thursday to complete plans for the annual Christmas luncheon to be held December 6 at the home of Grace Fisher. All neighborhood women of the Woodcreek area will be called in a few days for reservations. Ann Phillips, Mary McGuire, Alice Billiu, Marian Lam, Aileen Dornan, and Muriel Trippensee will make the contacts.

Birthday time is present at the Lams. On October 27, Mrs. Conrad Lam served luncheon to kindergarten kids Michael Dornan, George Quarts and Billy Reader in honor of the fifth birthday of her son, Douglas Lam.

On Saturday, November 12, in honor of his twelfth birthday, Richard "Dick" Lam took six school friends, including Dale Preuss, David Busch and Terry Frisco, to a movie.

Mary McGuire's sorority is interested in assisting the Cephalopod Palsy Foundation. On Friday, November 4, Vera Blanchfield and Mary attended a gay costume party given to raise funds for the cause. The party was held in Detroit.

Aileen Dornan wishes to thank all neighbors for their most generous contributions to the Torch Fund. The total receipts for her section were \$390.00.

INSTALLATION and temporary hook-up of the two pumps at the new City well site has resulted in a lifting of all current water use restrictions. The installation of temporary controls on the pumps, pictured at the left and in the background, was completed last week end. City officials stated that the newly enlarged water system is not in regular service at the present time, but the pumps could be manually operated if necessary. A permanent hook-up will be completed as soon as the pump houses have been constructed.
