World's Finest  
Self-Winding Watch

OMEGA  
*Automatic*

Here is the pride of Switzerland, probably the highest tribute paid any watch. For the Swiss are jealously proud of their watchmaking skill and they turn out many fine timepieces. But no other manages to capture the same degree of precision and style in an automatic movement as Omega. We feature the Omega Automatic because it is every bit as good as its reputation, though much less expensive than you may have suspected.

EVERY MOVEMENT OF YOUR HAND WINDS YOUR WATCH

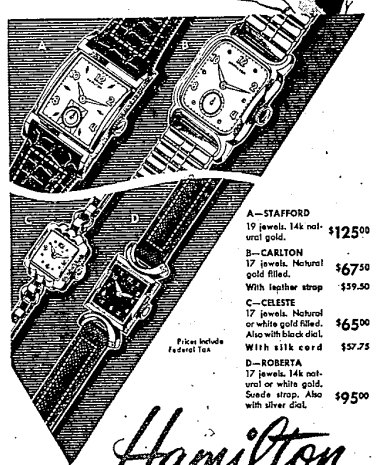

A dramatic new development in watchmaking! The brilliant new self-winding mechanism rides on 5 amazingly small ball bearings. It responds instantly to the slightest motion of your hand... winds itself more smoothly than any other watch.
