selling at low prices.

It is still the time for pork, for it still represents the best buy in many years among all kinds of meat. Because this is the low point in the lowest-priced season, it is the ideal time to stock the freezer with loin roasts, Boston butts, pork chops, or spareribs. Bacon and ham are also excellent values.

values.

Beef supplies remain large and prices are about steady on the more plentiful choice grades. This is also an excellent month to fill any vacant spaces in your freezer with such attractive buys as chuck coasts, ground beef and even round and strioin steaks.

and sirloin steaks.

Although lamb supplies are de-clining slightly, prices have re-mained steady to slightly lower due to the low prices on pork and beef. Excellent quality legs of lamb and shoulder roasts from the heavier weights are very reason-

NUTRITION EXPERT

asy."

If you are tempted by magic re-

Now Available

Although prices on hen turkeys offer the best value according to weight, tom turkeys may be found at very reasonable costs. They are a few pennies more than at Thanksgiving. Because there is a record supply for this time of the year, frying chickens are still selling at low prices.

able.

Improved weather conditions in the northern Canadian area has begun to bring ample supplies of fresh fish and the more abundant frozen packages are still a most popular choice. Due to more limited shipments of medium sizes of shrimp they are not as good a value as they were in 1954. The jumbo size provides more for your Supplies of tomatoes from the warmer climates' are steadily increasing and prices are becoming

money piles of tomatoes from the warmer climates are steadily increasing and prices are becoming more attractive. Both the California pascal celery and the Florida cucumbers are prices. The increased volume of spinach in the markets has resulted in a very low, price with the control of the

are much higher in price than the natural green ones. Abundant shipments of bananas are arriving from the tropical countries at unusually low costs. Special-features of both red and yellow western delicious apples are being run in many markets, but all Michigan apples are still the best volte.

but all Michigan apples are still the best value.

Large quantities of oranges are arriving from Florida at reasonable costs, but most California cirus is up a few cents in price due to less picking during the wet weather in that area.

The tangelo, the july-sweet fruit which is a cross between the tangerine and the Temple orange, would be a special economic treat. One of the newest arrivals to add color to the fruit counter is the popular D'Anjou pear.

WARNS OF DANGERS IN "EASY" DIETS

According to Miss Isabel Foster, director of dietetics at the University of Michigan Hospital, losing weight is not easy. It is a continual way of life.

weight is not easy. It is a contin-ual way of life. In fact, declares Miss Foster, "I would say that no easy way to reduce is safe, and no safe way is easy."
