JOINT installation ceremonies were conducted recently at the I. O. O. F. Hall on Inkster Road, bringing into power officers of the Clarenceville Odd Fellows Lodge and the Clarenceville Rebekah Lodge. Officers of the Odd Fellows for 1956 are pictured above. They are, from row, left to right: Earl LaFarge, Jr., past noble grand; John Winkler, left supporter to

vice grand; Stan Puterbaugh, noble grand; Floyd Apple, vice grand; George Reddick, treasurer; and Mark McLean, recording secretary. Back row, left to right: Floyd Bush, warden; Al Schoen, inside guardian; Kenneth McLean, chaplain; William Wyszol, left supporter to noble grand; Ferdinand Reiner, left scene supporter; and Orville Vader, right supporter to noble grand.

Eagle School P.T.A. Reviews Many Accomplishments In Short History

Although still very young, the Eagle School Parent Teachers Association looks proudly at its many accomplishments in a short period of time, an official report disclosed last week. The group was organized in November, 1955. Immediately after organizing by-laws were drafted and presented by Dale Winnie, Mrs. Stanley Ellingham and Mrs. John Lauer. They are now ready for final review.

Pending immediate action of the P. T. A. group has a petition pending with the Oakland County Road Commission for improvement of Fourteen Mile Road. The group also sponsors the newly organized Boy Scout Troop which meets each Monday at the Eagle School.

Programs presented by the program committee, under the direction of Morton Kanfer, have been reported as interesting to all and informative to the many new residents of the area. Mrs. Harold Stocker is working on plans to commemorate Arbor Day, it was revealed.

A special Representation Committee has been set up under the direction of Mrs. John Lauer. It is her job to screen community meetings and other civic affairs and send representatives to cover the activities and report to the P. T. A. membership. The budget and finance committee, under the direction of Robert Irwin, is now making plans for a Spring Fair.

In all of the P. T. A. activities the various Room Mothers have played an important part, working quietly behind the scenes. Room Mothers of the Eagle P. T. A. are: Mrs. Leon Lasser, Mrs. Ernest Chase, Mrs. Chris Bowles, Mrs. Michael McGaffery, Mrs. Maureen Greenwald, Mrs. Lester Taubman, Mrs. Harry Greenberg, Mrs. Newton Freilich, Mrs. Irving Smith, Mrs. Stanley Ellingham, Mrs. Fred Spittle, Mrs. Irving, Mrs. Leonard Quart, Mrs. Fulton and Mrs. Casson.

Until recently, Room Mothers functioned under the direction of Mrs. Clyde Graham, mother vice-president and room mother chairman, and Mrs. Carl Monje, co-chairman. Following the resignation of Mrs. Graham, Mrs. Stanley Ellingham was appointed to take her place.

Room Mother activities have included planning and conducting school parties, serving refreshments at P. T. A. meetings, transporting children to the Oakland County Dental Clinic in Royal Oak, and assisting technicians in checking results of Hearing Pure Tone Tests conducted by the Oakland County Health Department. In addition, they have assumed chair-

SEVENTH-DAY ADVENTISTS HOLD ANNUAL MEETING
The annual business meeting of the Seventh-Day Adventist Church was held on Wednesday, January 18, reviewing the church's program for 1955.

A report indicated that with 11 new baptized members, the church membership now stands at 65 and the Sabbath School membership at 115. An investment goal set at \$500 has reached \$565.17 under the leadership of Mrs. Hazel Charters. The money is used in foreign mission work.

A financial report indicated that a total of \$14,209.18 had been received during 1955. Money collected from rental of the church on Sunday to another denomination was added to the building fund.

A seven-man building planning committee was named at the meeting. Chosen were Ralph Otto, Virgil Huttman, Allan Breake, Roland Bradley, Ira Jones, Gerald Craven and Bob Goetz. The committee will meet soon to make plans for picking a large site for a new church building.

Looking Ahead

By DR. GEORGE S. BENSON

(Continued from Page 2B)
One entire film, No. 11, is devoted to an examination of profit — how much is being made, who gets it, and what it does to accelerate the progress which brings benefits to all Americans. Quite surprising to many people is the fact that corporation profits are only about five per cent of the national income, that corporations make on an average only 31 cents profit on each dollar in sales, and that the profit pennies and dollars make life better for everyone.

The subject of security and freedom is explored in the 12th film. Through discussion and the weighing of the facts it is found that genuine security can't be bought or accepted as a gift, but must come from inner development and good citizenship practices. The 13th film sets forth a challenging list of American citizenship obligations, after reviewing the lessons contained in the first 12 of the series. A discussion leader's guide has been prepared for each film.

Each film runs 14 minutes. The National Education Program is a public-service institution, non-profit making. The films are being made available at the lowest possible cost.

Why should there not be a patient confidence in the ultimate justice of the people? Is there a better or equal hope in the world?

1956 Buick ROADMASTER 6-Passenger, 4-Door Riviera, Model 73

It started right on announcement day. On that day, we made bold to call this the Best Buick Yet. (A pretty big statement, we're sure you'll agree.)

But, in the scant three months since then, we've had ample proof of how more-than-right we were.

Not just from the tremendous initial interest shown in the new 1956 Buicks.

Not alone from the way our sales have zoomed past all expectations.

But more especially and more clearly and more positively from the enthusiastic "play back" that's coming from happy new-Buick owners.

So, if you'd like the story firsthand — see if you can get a '56 Buick owner to stand still long enough to tell it to you.

For it's a real news story you'll hear about:

You'll hear about a wallowing big new 322-cubic-inch V8 engine that delivers its record-high power with the obedience of a bird dog.

You'll hear about a terrific new Variable Pitch Dynaflo® that gives double-action take-off and instant acceleration right in the driving range — along with a thrifty boost in gas-saving mileage. Yet when you do floor the pedal to switch the pitch — you get an extra abundance of safety-surge power to pull out of tight spots on the highway.

You'll hear about a new "sweetness" of ride made even more buoyant by deep-oil cushioning and all-coil springing — and about a new ease of handling and steering — and a new four-footed swiftness when taking the turns.

So what's left to be told?

Except the news of brilliant new Buick styling inside and out — which you can see for yourself. And the question, "How much?" — which only you can answer.

For, you can go all the way from the bedrock-priced SPECIAL — to the high-stepping CENTURY — to the outstanding SUPER — and on to the custom-built ROADMASTER.

Why not come in — right soon? Learn how easy we'll make it for you to step into the '56 Buick circle — without busting out of your budget.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It's standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.
