Northeast Area Blood Bank Set For February 20

Residents of the northeast section of Farmington Township are now being registered for the Bond Eagle Blood Bank. Blood donations will be taken at the West Bloomfield Town Hall on Orchard Lake Road on Monday, February 20, from 1:15 to 3:15 p.m.

Pre-registration for the bank is not necessary, officials stated. It is asked, however, that those who give blood from this area specify that the blood is for the Bond Eagle Bank.

Additional help is needed for the operation of the blood bank, officials commented. Aid is needed in conducting registration, providing transportation, caring for children while parents donate, and helping at the center on the day of the bank.

Persons interested in assisting in this worthwhile project are asked to contact Juno Inman at MA. 6-2412. Blood from the bank will be available to all persons in future emergencies.
