HONORED by the Department of the Army last week for outstanding performance of duty with the Ordnance Tank-Automotive Command was Laurence E. Treatwell of 21331 Hamilton Street. Treatwell is shown above, right, being presented with a commendation by Brigadier General Nelson M. Lynde, OTAC Commander. He was cited for meritorious service as supervisory printing and control officer in establishing printing controls and a work measurement cost system for the OTAC printing plant. A major in the Marine Reserves, Treatwell joined the Ordnance Tank-Automotive Command in May, 1951, and is now service chief for the command. He received a \$200 award in August, 1955, for exceptional service to the government while directing field service printing plant operations.

**RESIDENTS INVITED
TO CHILD GUIDANCE
CLINIC MEETING**

Farmington area residents are invited to the annual dinner meeting of the Oakland Child Guidance Clinic, to be held at the Birmingham Community House on Tuesday, February 14, at 6:30 p.m. Speaker for the meeting will be Dr. Clyde Simson, newly appointed head of the Children's Department of Lafayette Clinic in Detroit. His subject will be "Current Trends in Child Guidance." Dr. Simson comes with a broad background of experience in both out-patient and residential care of disturbed children.

The Oakland Child Guidance Clinic gives service to children with emotional and personality disturbances living anywhere in Oakland County. Brief reports of clinic activities will be given at the meeting by Dr. Robert Mason, chairman of the board, and Miss Madeleine Hall, clinic director. Election of new board members will also take place. Mrs. Edwin Clarke is in charge of arrangements. Reservations may be made by telephoning the Oakland Child Guidance Clinic in Pontiac.

**ALL
WAYS**
**BEFORE
CROSSING**

Toy February makes streets and highways dangerous slippery. Cars often need seven times as much stopping distance as they do on dry pavement. Pedestrians may slip and fall on ice-coated pavement. Therefore, Automobile Club of Michigan urges motorists to be extra cautious when crossing streets. Firstly, they should Look All Ways Before Crossing and then make sure they have plenty of time to reach the other side of the street.

Sensational Story of Hypnotic Experiment
A successful Colorado businessman took up hypnosis as a hobby. He cured friends of psychosomatic ills, then began age regression experiments with willing subjects.

To one young housewife he suggested a "pre-life" existence to which she responded with "memories" so sensational and true-to-life that tape recordings were made and the "facts" submitted to verification by investigators in Ireland, scene of her previous life back in another century!

Many of the points in her story have been checked and proved accurate, although neither she nor her questioner, Morey Bernstein, had ever been abroad.

Whether you believe it or not, you'll be fascinated by this strange story which will appear in The News starting Sunday, February 12. Be sure to read it.
