

Eagle School Special Education Class Adopts Lamb

A new pet was acquired last week by students in the special education station at the Eagle School. The pet is a baby lamb, donated to the students by Mrs. William John Spicer of 2915 Farmington Road.

Orphaned by the death of its mother, the five-day-old lamb was adopted by the students and named "Coolidge".

The lamb is fed a special mixture of warm milk and grain. The lamb was infested with ticks, but they were eliminated by a creosote bath. Ticks taken from the lamb provided a study subject for the students at Eagle School in the special education class. They viewed the ticks under a magnifying glass and microscope.

The lamb spends the day at the school, but is taken home each night by Mrs. Horton, a clerk and school, to see that proper care is always provided.

Marconi, inventor of wireless telegraphy, received the Nobel prize for physics in 1909.

Franklin Knolls News

By EARL TERPES

Al Forte of Queensboro recently returned from a vacation trip to Florida, and is sporting a beautiful tan to prove

The flu bug has been floating around the area. Some of the victims in the vicinity are Altie Bigelow, O'Neil Miththead and Jane Teeples.

Children of the area attending Eagle School recently received safety instructions from a Michigan State Police trooper. Movies, shown along with a talk, pointed out safety measures.

Each week there is a wealth of news never printed that I am sure should be. This is due to a lack of advertising space purchased by local merchants in the local paper to permit printing additional pages.

As you know, they are the chief support for the paper and make possible the publishing of this column and other news stories about our area. If you would like more news and space for stories, why not put the arm on merchants you patronize locally and encourage them to advertise in The Enterprise. They, no doubt, are not fully aware that you read the paper and fail to see the value of an Enterprise ad.

The more advertising the paper receives, the more space there is for Scout, associating, P.T.A., social and personal news.

John Freits Initiated Into R.O.T.C. Honorary

John G. Friess of 15720 Stamford, Livonia, a junior in the College of Engineering, was among a group of 46 University of Michigan students initiated into the Scouting and Blade, national honorary society for ROTC members.

Students are elected to the society on the basis of military leadership, scholarship, and campus activities. Brandishing wooden swords and sporting newspaper hats, the group stood guard recently over the library steps and campus flag pole in formal initiation ceremonies.

CHURCH PLANNING HOME VISIT DRIVE THIS SATURDAY

Members of the Seventh-day Adventist Church of Clareneville will spend this Saturday afternoon making friendly calls upon homes in the community in an effort to encourage better church attendance.

Fred Schenk, home missionary leader of the church, in making the announcement stated that the calls would be brief with just a word of Christian greeting.

The program of visiting is aimed at reaching those not attending churches in the belief that a family that unites in worship is more closely knit than a home without God, church officials stated.

The denomination is cooperating with the "Religion in American Life" program, which urges "Give them a faith to live by." This is the seventh year that the church has participated in a visiting program of this type.

Clareneville Seniors To Hold Paper Drive

The Senior Class of Clareneville High School will conduct a paper drive this Saturday, March 3, to raise funds to be added to the class treasury.

Pick-ups will be made at individual homes beginning about 8 a.m. Requests for home pickup may be made by calling KE 4-1173 at any time.

Your Friends and Neighbors

Along The Creek In Woodcreek

BETTY MERESHAK MA. 6-3135

A joint special meeting of the Woodcreek Men's Civic Association and the Women's Association was held last Thursday at the Eagle School. At the regular meeting of business were disposed of, the meeting was given over to the subject of incorporation.

A nine-man committee had been assigned to study the pros and cons of incorporation over the past year. Each of the committee members gave a report of his own opinions and recommendations. It was decided by the members at large not to withdraw the petition to incorporate which was filed some time ago.

Marion Lam will be the March hostess for the Woodcreek Women's Association. The meeting has been set for Tuesday, March 4, at the home of Mrs. E. J. Grier, 28120 Westbrook Court. A reminder is issued to bring white material for cancer pads and old shirts that are still useable.

Next Woodcreek sky-watching date is Monday, March 5. The following members will be on duty: Ruth Galla and Audie Geyer, 9-12; Ailene Kinney and Eliza Allen, 12-3; and Pearl Dobson and Ethel Nelson, 3-6.

The Tailors of Westbrook entertained several Woodcreek neighbors recently. After dinner the guests enjoyed the colored movies that the Tailors took on their recent European trip.

The Robert Weavers of Wellington Road have just returned from a five-day coast trip. They went East to Philadelphia where they spent five days with Mrs. Weaver's aunt. They continued on to Hudsonfield, New Jersey, to visit Robert's mother, Mrs. William Weaver, who recently celebrated her 92nd birthday. Their son, Bob, Jr., who joined the Navy last June, spent a four-day leave with them. Stationed in Newport, Rhode Island, Bob is looking forward to spending a 16-day leave with his parents around Easter time. The Weavers arrived home last Tuesday.

Twenty friends and neighbors met at the Man Sely home last Tuesday for a square dance. Several round dances were also tried. This was more or less to supplement the beginning classes which

CHRISTIAN SCIENCE Goodwill Pick-Up Set For March 5 In Area.

Man's God-given strength, assurance, and ability will be emphasized at Christian Science services this Sunday in a Lesson-Sermon entitled "Man." Selections will be read from the King James Version of the Bible and from "Science and Health with Key To The Scriptures," by Mary Baker Eddy.

A mistake is at least proof that someone was trying to accomplish something.

PROMPT DEPENDABLE DRY CLEANING

It's amazing, the way frequent dry cleaning saves me money on clothes!

YES, I know exactly what you mean! Good dry-cleaning makes clothes look better, longer . . . adds many months to the life of a suit!

F.H.S. Band Members Attend Concert In Detroit

Twenty-nine band members of the Farmington Junior and Senior High Schools attended the annual School Concert Series of the Detroit Symphony Orchestra at the Masonic Temple in Detroit February 22.

The students heard selections from Brahms, Mendelssohn, Tchaikovsky and Weinberger. They also participated in group singing. The students were accompanied by Mr. R. Zimmerman, F. H. S. band instructor.

4-Door Hardtops?

BEST CHOICE YET

Big news in hardtops these days is the 4-door model. And the biggest news of all is Buick's 4-Door Riviera. Ever since its introduction, this Buick hardtop has taken the country by storm.

But the newest note about this newest of models is the price choice Buick offers you. Now you can have this much-wanted model in four different price series—and that's a choice you'll get nowhere else.

Now you can have the 4-Door Riviera in the custom-built ROADMASTER, the extra-spacious SUPER, the supremely-powered CENTURY, or the bedrock-priced SPECIAL.

What follows from there? Plenty—really plenty. For in every 1956 Buick there's a wealth of thrills—a spirited gallop, a trim maneuverability—a sheer enchantment in styling.

In power, it's a pistol. Every Buick packs a 322-cubic-inch V8 engine with Buick's highest horsepower and compression ratios yet.

In take-off, it's trigger quick. A new Variable Pitch Dynaflow* betters the best Buick getaway on record—with instantaneous response at the very first inch of pedal pressure.

In emergency, it's double-barreled—with that new Dynaflow changing to full-power safety-surge acceleration the instant you floor the pedal and switch the pitch.

And in roominess, in luxury, in handling ease, in ride steadiness, in directional sense—you'll discover a literal truth:

This is the best Buick yet.

Can you come in tomorrow to see and sample the greatest Buick ever—and to note the prices that make this the best buy yet?

*New Advanced Variable-Pitch Dynaflow is the only Dynaflow Buick build today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.
