

**MRS. GEORGE T. BIRD** GR. 4-3469

Mr. and Mrs. Gerald S. Ellis, worth of 2852 Green Willow Road entertained at a cocktail party on Saturday evening, March 10. Many old friends and new acquaintances from Kendallwood arrived to enjoy a traditional "house warming" party.

The music group met Thursday, March 8, with Mrs. Max Z. Zimmerman acting as hostess for the evening. Since the last meeting in February, the membership has increased to nine participants. Consideration is now being given to the possibility of including members of Kendallwood in the club.

Mrs. Fern N. Herrington entertained one of the Kendallwood bridge groups on March 9 at her home at 2769 Green Willow Road.

Wednesday, March 14, the pinocle group met at the home of Mrs. Joseph E. Herz, 28349 Bayberry Road.

The combined sewing and garden club held its second meeting Wednesday evening, March 12. Mrs. Boris S. Veinoff of 2837 Thorny Brae Road acted as hostess.

**Bits Of News From Franklin Knolls**

**EARL TEEPLES** MA. 6-6533

Joanie Levine has returned from a visit with her parents in Florida. She was away for five weeks and had her children along.

Bert and Lillian Schlain are back from a two-week vacation in Florida.

Questionnaires were distributed this week in all of the Knolls Subdivisions seeking information that will determine whether or not a bus service will be inaugurated in the area, where it will run to, and when it will run.

Officials of Subdivisions 1, 2 and 3 are working together in the hope of solving the problem of roving dogs, which is rapidly increasing in the area. The problem will be more serious when work begins on new lawns this spring.

A wild muskrat was retrieved by Earl Teeple from a window well at a home on Lochmore this week. Displayed at Eagle School for a day, it was released in a nearby swamp.

Ellen Gluck, daughter of Dr. and Mrs. Gluck of Tareyton, celebrated her fifth birthday last week. Janet Schreiber, also of Tareyton, will be six on her sixth birthday last week.

Last week's rains brought the water in the pond back of the Clark home over Middlebelt Road for the first time since last Spring.

The rains also brought the inevitable rash of sump pump calls. Again one of the causes for pump failure was found to be the emptying of water softener water into the sump holes. The corrosive fluid eats away the base of the pump until it falls apart.

Parents of local boys will be interested to learn that they will soon be performing a community service. A mobilization plan is being formulated among the Boy Scouts. The Scouts are to be "traffic directors" at the coming P. T. A. fair at Eagle School on April 14.

Jack Stogskal of Ten Hill Road, father vice-president of the Eagle School P. T. A. and committee chairman for the Boy Scouts, has purchased two self-propelled lawn mowers. They both have about four inches of wool on them and are due to lamb in the near future.

Your reporter attended a movie on sex deviates in Birmingham recently at the invitation of the P. T. A. there. Entitled "Dangerous Stranger," it has a wealth of information that will prove interesting to parents and children. It offers instruction to children on their behavior should they be accosted by a deviate. Permission has been obtained to show the film in this area. It is hoped to schedule a showing at the Eagle School in April.

Miss Cotrell, principal at the Eagle School, finally caught the "bug" last week and had to stay home from school.

Fourteen Mile Road in this area had the "treatment" last week. Many loads of gravel were placed on the road and then the scraper smoothed it out, making the road

**Goodwill Pickup Set For Monday, March 19**

Goodwill industry trucks will be in the Farmington and Franklin Village areas on Monday, March 19 for scheduled pick-up, it was disclosed this week.

Persons who have old but usable clothing, furniture or other discards are asked to call Miss Lora Ault at GR. 4-4294.

**CHRISTIAN SCIENCE**

The idleness of relying on material rather than spiritual power will be stressed at Christian Science services this Sunday.

Services this Sunday in a Lesson Sermon entitled "Matter."

Selections will be read from the King James Version of the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

The Enterprise is the Only Newspaper Devoted Exclusively to News and Events of Interest to the Residents of the Farmington Area.

**Twp. Civic Assn. Directors Meet**

A meeting of the directors of the former North Farmington District Civic Association was held last Thursday evening, March 8, at the home of Charles Chesquire.

Plans for a public meeting are now being made, and were discussed at the directors' meeting. As soon as arrangements are completed as to location, date, and speaker, full details of the meeting will be published.

The new name of the association, as voted upon at the fall meeting of the association, was formally adopted. The new name is the Farmington Township Civic Association. It is believed that with the adoption of the new name it will be more clearly defined that the interests and functions of the association are township-wide and not confined to the northern portions of the township.

**TAKES OFF LIKE YOU'RE WEARING SPURS**

Come try it — and you're in **BUICK'S THRILL-A-MINUTE CLUB**

**THE THRILLS begin in the first sixty seconds — and from then on they come in clusters.**

Right off, you feel the stepped-up getaway in Buick's new Variable Pitch Dynaflow™ — a blazing new take-off even before you switch the pitch.

Because now — right in the topmost inch of pedal travel — right where you do most of your driving — right in the fuel-saving economy range — you're moving with a solid new "take-hold" getaway that's brisk and blessedly smooth.

Then you double the thrill.

For when you want to pass — or climb — or get out of a tight spot fast — you floor the pedal and switch the pitch. That brings you an absolutely smooth burst of full-power go-ahead on the split second — and it's the nearest thing to soaring flight yet.

It's a double-barreled package of excitement — and it's teamed with the most powerful V8 engine in Buick history — a 322 cubic-inch engine with no less than 9.5 to 1 compression in every Celerity, Super and Roadmaster.

All that would seem like thrill enough — but you'll find you've hardly scratched the surface.

You'll find yourself glowing all over from the sweet and level buoyancy of Buick's great new ride.

You'll feel a serene satisfaction from the way this trim beauty handles and corners and tracks to the road with the truest sense of direction yet.

And certainly you'll have to feel the good feeling that's yours just from bosting this big and brawny and beautifully sculptured automobile that's like a thing alive, and impeccably obedient.

We'll like you to know and feel all this firsthand — just by trying out a new Buick. That's all you do to join Buick's Thrill-A-Minute Club.

Why not become a member in good sitting today? And when you do, we have some big thrill news on prices, too.

\*New Advanced Variable Pitch Dynaflow is the only Buick built today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.
