Bits Of News From Franklin Knolls

EARL TEEPLES MA. 6-6533

Mrs. Ruth Corey of Middlebelt that startings are not migratory birds and they stay around all winter. I stand corrected.

On Monday, April 2, a delegation of Scouts from the Eagle School troop made a trip to the Edison Moore Company in Detroit and carried out approximately three tons of paper, donated by the company, to waiting trucks from Levine Waste Paper Company. Money received from the paper drive will be used to purchase equipment for Scout activities, such as hikes, cook-outs and camps.

The troop needs tents, first aid kits, a field kitchen, etc. Anyone wishing to donate money or equipment are asked to get in touch with yours truly. Coming paper drives are planned to raise needed money for equipment.

Troop 116 plans to have a booth at the forthcoming PTA fair at Eagle School and will also help with the parking and traffic problems at the Fair. They are also planning to have a booth at the April-20-Rama at Walled Lake on April 20.

Joanie Levine and the Al Sotos have now returned from vacations in Florida.

George Brown, Queensboro, has returned home from the Mobilgas economy run.

Bud, Helen and Buzzy Enroth are back from three weeks vacation in Florida where they visited Helen's folks.

Women are needed in pairs for daytime service and men for night work. Approximately three hours a month is all that is asked of applicants. If you can help with a trial tour of duty, The Spotted State is located atop the Silverite Company on Orchard Lake Road between Twelve and Thirteen Mile Roads.

Yours truly received a letter from Mrs. Harold Thurston, Barber Street, recently informing me that PVT. FLOYD MCKAYE TAKES MACHINE OPERATOR COURSE

Pvt. Floyd K. McKaye, 18, son of Mr. and Mrs. Hugh McKaye, 7055 Orchard Lake Road, Farmington, recently was graduated from the three-day quarry machine operators course at the Engineering School, Fort Belvoir, Virginia.

The course offered training in the operation and maintenance of self-powered quarry and gravel pit machinery for construction projects.

McKaye entered the Army in October 1951, and received basic training at Fort Leonard Wood, Missouri. He attended Farmington High School.
