This is the **BEST** water softener we could buy. All control mechanisms are unconditionally guaranteed for 10 years

And it uses
DOWEX HCR MINERAL
That's the **BEST** too.

That's the truth about water softeners. **R-5 Ball-O-Matic** is the **BEST** you can buy. It has automatic controls, and they're all unconditionally guaranteed for 10 years against mechanical failure.

Get the water softener that will solve all your hard-water problems and give you all the advantages of rich suds with water that's softer than rain.

See us today and learn how the **R-5 Ball-O-Matic** softens for itself!

Ball-O-Matic water softeners have been manufactured in Detroit since 1931. There are probably more of them installed in this area than of all other makes combined. You are sure with a **REYNOLDS** quality softener. Factory installation and factory service.

ENGINEERED TO FIT YOUR NEEDS

Your Friends and Neighbors

Along The Creek In Woodcreek BETTY MERESHAK

Everybody loves a surprise, but no one could be more appreciative than that number one gal you've been married to for twenty-five years. That was Betty Mereshak's feeling after surprising her wife, Zella, with a dinner party recently at the Birmingham Country Club to celebrate their silver wedding anniversary. "To walk in and find a group of warm friends, a beautifully decorated table complete with flowers and a corsage — these will certainly be moments to remember," said Zella.

"Did you attend the Eagle School P. T. A. meeting on Monday, April 9?" It was an important meeting, for the election of officers took place. These officers will work hard to outline the policy and program that your children will follow while they attend Eagle School.

While nearly all of the elementary school age children of Woodcreek attend Eagle School, only six parents are P. T. A. members. We all realize the importance of cooperation between home and school, so don't underestimate the value of YOUR ideas and opinions. Let your interest in your children be translated into action through the P. T. A.

The Franklin Community Church Bible Study Group met last Sunday evening at the Preuss home on Westmont Court. Rosemary, pastor, led the discussion on "Christian Living." For refreshments, hostess Eleanor Preuss prepared strawberry parfait.

About 85 members and guests attended the evening meeting of the Woman's National Farm and Garden Association on Monday, April 9. Husbands particularly enjoyed the speaker, Miss Helen Martin, who made the subject of geology sparkle with adventure and excitement.

In telling "The Mibhigan Story," Miss Martin gave an insight into the wonderful wealth of natural resources that our state contains. Woodcreek neighbors who attended were Mr. and Mrs. Roy Nelson, Mr. and Mrs. Jack Richards, the Robert Swift family, the Robert Bieker family and the John Mereshaks. High school students who attended found the talk very educational.

Country landscape sure looks good, says Elma Syerson after spending over two weeks in Mt. Carmel Hospital for surgery. Elma, who is convalescing at home, is enjoying the beautiful pink hydrangeas sent to her by Woodcreek women while she was in the hospital.

The Alger Clarks of Wellington Road returned last week end from a visit to Dayton, Ohio. On their way home they stopped in Cincinnati and spent a day with former Woodcreekers, the Everett Thompsons.

The Thompsons, who went to Cincinnati some months ago, are now comfortably settled in their home in the Indian Hill area.

Mrs. Vern Fisher and her daughter Nancy of Wellington Road were co-hostesses last Monday night, April 9, when they honored Miss Susan Schlotterbeck with a miscellaneous wedding shower.

The guests included many of Susan's former classmates and their mothers, as well as many old friends and Woodcreek neighbors. Attending from outside the area

C'ville Attic Sale Set For April 27, 28

Plans have now been completed for the Clarenceville Band Booster Attic Sale, to be held Friday and Saturday, April 27 and 28, at the home of Mrs. J. W. G. G. on Grand River at Negaunee, officials disclosed last week.

The sale will be conducted on Friday from 12 noon until 9 p.m. and on Saturday from 9 a.m. to 2 p.m.

Many items have already been contributed. It was reported, but there is still need for more furniture, dishes, pots and pans, and nick-nacks. Anyone having items to contribute is asked to contact Mrs. P. Gault, 18814 Floral, Livonia, RE. 5-4298 or bring the items to the Judson Glass Company on Friday morning, April 27, prior to the start of the sale.

It is the desire of the Band Booster group that a large number in the community will contribute and buy during the sale. All proceeds will be turned over to the band department with the money to be used to help more students to take part in the school band program.

were Mrs. Wheaton, Chandler, Walld Lake; Mrs. Charles Blood, Pontiac; and Miss Elaine White, Detroit.

The decorations were done in dainty yellow with a profusion of spring flowers. A yellow canopy piled high with shower-gifts made an unusually attractive centerpiece. The May bride-to-be received many beautiful gifts.

Woodcreek may not know it but we just might have another Eddie Fisher in our midst. At least that was the feeling expressed after hearing Dennis Eymon of Wellington Road in the talent show at the Eagle School Fair last Saturday. The tremendous personality that this young man projected into his singing was enjoyed and appreciated by everyone.

Brian and Dan McCarthy also participated in the show. They played a corogo and saxophone duet.

Some of the Woodcreek ladies who put time and effort into gathering and selling merchandise for the fair were Mrs. Doyle Tippett, Mrs. Art Busch, Mrs. Nelson McCarthy, Mrs. Arthur Banfield, Mrs. Harold Preuss, and Mrs. M. Davenport. Mrs. Greenwald, chairman of the Country Store, particularly expressed her thanks to all the ladies who donated aprons, cash and other items for the booth.

A special thanks was extended to the McGoures of Overdale Court who donated the sound truck that was used for two Saturdays to advertise the fair, and to Arthur Busch of Millereck Drive who did much of the driving.

Airman Harold Bolton Processes For Korea

Airman Second Class Harold R. Bolton, son of Mrs. George Bolton of 21720 Orchard Lake Road, processed at Parks Air Force Base in California recently with the 2349th Personnel Processing Group en route to Korea, the Air Force disclosed.

Prior to his assignment to the Far East, Airman Bolton was stationed at Sheppard Air Force Base, Texas. He is an aircraft engine mechanic.

Airman Bolton graduated from Farmington High School and enlisted in the Air Force in June, 1955.

Blue Star Mothers Attend Dept. Party

Blue Star Mothers Margaret Kahl, Lettie McIntyre, Etta Vanderburgh, Gladys Williams, Ethel Whitefoot, Alice Mitchell, Mary Morris, Ann Fanzini, Irene Krueger and Fern Ramage attended the Department of Michigan Blue Star Mothers Party held in the Red Arrow Room of the Veterans Memorial Building in Detroit Thursday, April 12.

The April business meeting of the Blue Star Mothers was held in the Clarenceville Fire Hall on Wheel Street on Thursday, April 19, at 1 p.m.

TODAY'S BIG SPECIAL

at a price that will open your eyes
(and Purse)

If you're in the market for a real buy, take a good look at this one.

It's a 1956 Buick SPECIAL—which means, of course, it's a big ear.

But look again at the price news it carries.

It tells you this big Buick SPECIAL can be yours for only a few dollars more than the price of the well-known smaller cars — for even less than some models of those very same cars. (And the price we'll show you proves how true that is.)

The gospel truth is — this brassy new beauty is the biggest bundle of high style and hot performance ever offered in Buick's lowest-priced Series.

Even that, though, doesn't completely explain why Buick outsells every car in America: except the two well-known smaller ones.

To understand the big reason, you've got to know something about how much more pure automobile you get for your money in a 1956 Buick —

The extra satisfaction of commanding Buick's wallowing new 323-cubic-inch V8 engine —

The extra joy and comfort of Buick's new buoyant ride, Buick's matchless new handling ease, Buick's extra solidity of structure —

The extra thrill that comes from the world's most modern transmission. For, at your option, you can also have the new double-action take-off — and the extra gas-saving mileage — of Buick's advanced new Variable Pitch Dynaflow.

Those are some of the things we'd like you to know, firsthand, about the 1956 Buick. And we'll let the car itself — and that low price tag — do the talking. Will you come in — real soon — this week maybe?

New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.

BEST BUICK YET
